PIETER A. KARK, M.D., says:

On or about May 5, 1987, I was licensed to practice as a physician in the State of New York, having been issued license number 169991 by the New York State Education Department.

My current address is 7499 West Seneca Turnpike, Manlius, New York 13104, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that I have been charged with one specification of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit A.

I admit guilt to this specification(s) and to the allegations as set forth in the Statement of Charges.

I hereby agree to the following penalty of two years probation. I further agree to be bound by the Terms of Probation annexed hereto and made a part hereof as Exhibit B.

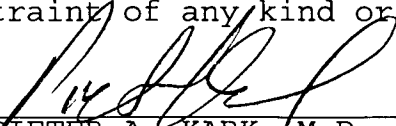

I agree that in the event that I am charged with professional misconduct in the future, this agreement and order shall be admitted into evidence in that proceeding.

I agree that, as a condition of this Order, I will maintain current registration of my license with the New York State Education Department, Division of Professional Licensing Services, and pay all registration fees. This condition will remain in effect except during periods of actual suspension, if any, imposed by this Order. This condition shall be in effect beginning thirty days after the effective date of this Order and will continue until the full term of the Order has run, and until any associated period of probation and all probation terms have been completed and satisfied. I understand that any failure by me to comply with this condition shall constitute misconduct as defined by New York State Education Law §6530(29).

I understand that, in the event that the Board does not grant this application, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me; such application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the State Board for Professional Medical Conduct grants my application, an order of the Chairperson of the Board shall be issued in accordance with same.

I make this application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner.

TERMS OF PROBATION

1. Respondent shall conduct himself/herself in all ways in a manner befitting his/her professional status, and shall conform fully to the moral and professional standards of conduct and obligations imposed by law and by his/her profession;
2. Respondent shall submit written notification to the New York State Department of Health (NYSDOH), addressed to the Director, Office of Professional Medical Conduct (OPMC), New York State Department of Health, Hedley Park Place, 4th Floor, 433 River Street, Troy, New York 12180-2299; said notice is to include a full description of any employment and practice, professional and residential addresses and telephone numbers within or without New York State, and any and all investigations, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility, within thirty days of each action;
3. Respondent shall fully cooperate with and respond in a timely manner to requests from OPMC to provide written periodic verification of Respondent's compliance with the terms of this Order. Respondent shall personally meet with a person designated by the Director of OPMC as requested by the Director.
4. Any civil penalty not paid by the date prescribed herein shall be subject to all provisions of law relating to debt collection by New York State. This includes but is not limited to the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; and non-renewal of permits or licenses [Tax Law section 171(27); State Finance Law section 18; CPLR section 5001; Executive Law section 32].
5. The period of probation shall be tolled during periods in which Respondent is not engaged in the active practice of medicine in New York State. Respondent shall notify the Director of OPMC, in writing, if Respondent is not currently engaged in or intends to leave the active practice of medicine in New York State for a period of thirty (30) consecutive days or more. Respondent shall then notify the Director again prior to any change in that status. 8. The practice monitor shall visit Respondent's medical practice at each and every location, on a random basis at least quarterly and shall examine a random (no less than 25%) selection of records maintained by Respondent, including patient histories, prescribing information and billing records.
