## IN THE MATTER

**OF** 

#### NARENDA KUMAR, M.D.

AND
ORDER
BPMC-96-176

A Notice of Hearing and Statement of Charges, both dated January 24, 1996, were served upon the Respondent, NARENDA KUMAR, M.D., THERESE G. LYNCH, M.D., (Chair), JOHN T. PRIOR, M.D. and ANTHONY C. BIONDI, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter pursuant to Section 230(10)(e) of the Public Health Law. CHRISTINE C. TRASKOS, ESQ., Administrative Law Judge, served as the Administrative Officer. A hearing was held on June 26, 1996. The Department of Health appeared by HENRY M. GREENBERG, GENERAL COUNSEL, by KEVIN P. DONOVAN, ESQ., Associate Counsel. The Respondent did not appear and was not represented by counsel. Evidence was received and witnesses sworn and heard and transcripts of these proceedings were made.

After consideration of the entire record, the Hearing Committee issues this Determination and Order.

### STATEMENT OF CASE

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing where a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York or another jurisdiction, or upon a prior administrative adjudication regarding conduct which would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, Respondent is charged with professional misconduct pursuant to Education Law Section 6530 (9)(a)(iii). A copy of the Notice of Referral Proceeding and Statement of Charges is attached to this Determination and Order in Appendix I.

## FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers in parentheses refer to transcript page numbers or exhibits. These citations represent evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence.

Respondent was authorized to practice medicine in New York State on August 31, 1979, by the issuance of license number 139563 by the New York State Education Department.

(Pet. Ex. #2)

- On October 3, 1989, in the Municipal Court of California, County of Stanislaus, Respondent was convicted upon his plea of nolo contendre, of eight (8) misdemeanor counts of presenting false claims (Medi-Cal fraud) in violation of California Welfare and Institutions Code Section 14107
- On November 17, 1989, in the Municipal Court of California, County of Stanislaus, Respondent was convicted upon his plea of nolo contendre, of the misdemeanor of submitting a false claim for payment under an automobile insurance contract in violation of California Penal Code Section 470.

## **CONCLUSIONS OF LAW**

The following conclusions were made pursuant to the Findings of Fact listed above. All conclusions resulted from a unanimous vote of the Hearing Committee unless noted otherwise.

The Hearing Committee unanimously concluded that the Department has sustained its burden of proof. The preponderance of the evidence demonstrates that Respondent was convicted of eight (8) misdemeanor counts of Medi-Cal fraud and one (1) misdemeanor count for submitting a false automobile insurance claim. Section 6530(9)(a)(iii) of the Education Law defines professional misconduct in part as having been convicted of committing an act constituting a crime under the law of another jurisdiction and which, if committed in New York State, would have constituted a crime under the laws of New York State. As a result, the Hearing Committee voted to sustain the First and Second Specifications of professional misconduct contained within the Statement of Charges.

## **DETERMINATION AS TO PENALTY**

The Hearing Committee, pursuant to the Findings of Fact and Conclusions of Law set forth above, unanimously determined that Respondent's license to practice medicine in New York State should be revoked. This determination was reached upon due consideration of the full spectrum for penalties available pursuant to statute, including revocation, suspension and/or probation, censure and reprimand, and the imposition of monetary penalties.

Respondent did not appear at the hearing, but submitted documents from California involving his motion to withdraw his plea and a sentencing hearing report. (ALJ #1; T. 5-6)

Respondent was not only convicted of criminal fraud for falsification of numerous Medi-Cal claims, but also was convicted for a private act of fraud against his insurance company. These criminal convictions cause the Hearing Committee grave concern regarding the personal integrity of the Respondent. The Hearing Committee believes that a physician who has been convicted of numerous acts of criminal fraud should not be allowed to practice medicine in New York State. Therefore, revocation is the appropriate sanction in this instance.

## **ORDER**

Based upon the foregoing, IT IS HEREBY ORDERED THAT:

- 1. The Specifications of professional misconduct contained within the Statement of Charges (Petitioner's Exhibit #1) is **SUSTAINED**;
- 2. Respondent's license to practice medicine in New York State be and hereby is **REVOKED.**
