I understand that I have been charged with one (1) specification of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A."

I am applying to the State Board for Professional Medical Conduct for an agreement to allow me to surrender my license as a physician in the State of New York and request that the Board issue this Surrender Order.

I do not contest the one (1) specification set forth in the Statement of Charges.

any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

I agree that in the event the State Board for Professional Medical Conduct agrees with my proposal, this Order shall be issued striking my name from the roster of physicians in the State of New York without further notice to me. IN THE MATTER	STATEMENT
OF	OF
CHANG SUP LEE, M.D.	CHARGES

-----X

CHANG SUP LEE, M.D., the Respondent, was authorized to practice medicine in New York state on August 1, 1972, by the issuance of license number 113548 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about May 25, 1999, Respondent, by a Voluntary Retirement from the Practice of Medicine and Surgery, voluntarily retired from the practice of medicine in Ohio and voluntarily surrendered his renewal card to the State Medical Board of Ohio (hereinafter "Ohio Board") , based on admission that his records for treating three (3) patients failed to reflect documentation of complete histories and physical examinations and/or diagnosis that justified the surgical procedures, he performed a wrong site surgery in connection with a femoral hernia in one patient and in the operative report dictated after surgery listed the patient's diagnosis as "bilateral femoral hernia" despite the fact that records failed to reflect any subjective or objective data, or a diagnosis relating to a left femoral hernia.

B. The conduct resulting in the Ohio Board's disciplinary action against Respondent would constitute misconduct under the laws of New York state, pursuant to the following sections of New York state law:

1. New York Education Law §6530(4) (practicing with gross negligence on a particular occasion);

2. New York Education Law §6530(16) (failure to comply with of federal, state, or local law, rules, or regulations governing the practice of medicine);
3. New York Education Law §6530(21) (making or filing a false report);
and/or
4. New York Education Law §6530(32) (failure to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).

SPECIFICATION

Respondent is charged with professional misconduct by reason of his having violated New York State Education Law §6530(9)(d) by surrendering his license or having had other disciplinary action taken against him after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the surrender or other disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that the Petitioner charges:

1. The facts in paragraphs A and/or B.
