STATE OF PENNSYLVANIA )

ss.: 199-44-8576

COUNTY OF Delaware )

Allan David Nachlis, M.D., being duly sworn, deposes and  
says:

On or about December 17, 1987, I was licensed to practice  
medicine as a physician in the State of New York having been  
issued License No. 173275 by the New York State Education  
Department.

I am not currently registered with the New York State  
Education Department to practice as a physician in the State of  
New York.

I understand that I have been charged with one Specification  
of professional misconduct as set forth in the Statement of  
Charges, annexed hereto, made a part hereof, and marked as  
Exhibit "A".

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license as a physician in the State of New York on the grounds that I admit to the Specification of misconduct, specifically having been convicted of a crime which, if committed in New York State, would constitute a crime in New York State.

I hereby make this application to the State Board for Professional Medical Conduct and request that it be granted.

I understand that, in the event that the application is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such application shall not be used against me in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

I agree that in the event the State Board for Professional Medical Conduct grants my application, an order shall be issued striking my name from the roster of physicians in the State of New York without further notice to me.

I am making this Application of my own free will and accord and not under duress, compulsion, or restraint of any kind or manner.
