EDMUND O'CONNOR, M.D., being duly sworn, deposes and says:

On or about July 7, 1965, I was licensed to practice medicine as a physician in the State of New York having been issued License No. 94667 by the New York State Education Department.

I am not currently registered with the New York State Education Department to practice as a physician in the State of New York.

I understand that I have been charged with One Specification of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A".

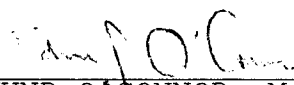

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license as a physician in the State of New York on the grounds that I cannot successfully defend against the Specification of Misconduct.

I hereby make this application to the State Board for Professional Medical Conduct and request that it be granted.

I understand that, in the event that the application is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such application shall not be used against me in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

I agree that in the event the State Board for Professional Medical Conduct grants my application, an order shall be issued striking my name from the roster of physicians in the State of New York without further notice to me.

I am making this Application of my own free will and accord and not under duress, compulsion, or restraint of any kind or manner.

IN THE MATTER : STATEMENT  
OF : OF  
EDMUND O'CONNOR, M.D. : CHARGES

-----X

EDMUND O'CONNOR, M.D., the Respondent, was authorized to practice medicine in New York State on July 7, 1965, by the issuance of license number 94667 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. By "Stipulated Findings of Fact Conclusions of Law and Agreed Order" dated August 19, 1994, the Medical Disciplinary Board of the State of Washington found that Respondent had committed unprofessional conduct in that an entry he made in a patient's record was not made on the date indicated. Respondent was placed on probation for three years requiring, among other things, that he implement a program of written notification to patients of laboratory analyses, that his records be inspected by the Medical Disciplinary Board, and that he pay a fine of \$2,500.00.

B. The conduct for which Respondent was disciplined in Washington would, if committed in New York State, constitute professional misconduct under the laws of new York State, namely failure to maintain an accurate record of a patient within the meaning of New York Education Law §6530(32) (McKinney Supp. 1995).

SPECIFICATION OF MISCONDUCT

DISCIPLINARY ACTION BY ANOTHER STATE

Respondent is charged with professional misconduct within the meaning of New York Education Law §6530(9)(d) (McKinney Supp. 1995) in that he had disciplinary action taken against his license by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York State, constitute professional misconduct under the laws of New York State, in that Respondent charges:

1. The facts of paragraphs A and B.
