APPLICATION  
FOR A  
NONDISCIPLINARY  
ORDER

§230 OF THE N.Y.  
PUBLIC HEALTH LAW

HERMANT PANDHI, M.D., hereby affirms that:

On or about 1990, I was licensed to practice as a physician in New York State, having been issued License No. 183085, by the New York State Education Department.

My current address is P.O. Box 470, Wicker Street, Ticonderoga N.Y. 12833, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that the New York State Board for Professional Medical Conduct has investigated certain aspects of my professional practice, set forth in greater detail in the Draft Statement of Charges, attached hereto as Exhibit "A." I further understand that a formal disciplinary proceeding pursuant to N.Y. Public Health Law §230 is anticipated to adjudicate the matters set forth in Exhibit "A", and that as Exhibit "A" is a draft, it is subject to being amended by the Department of Health.

I hereby ask and agree that the State Board for Professional Medical Conduct issue a Nondisciplinary Order of Conditions pursuant to New York Public Health Law §230

prohibiting my practice of medicine in consideration of avoiding the issuance of an Order of the Commissioner of Health pursuant to N.Y. Public Health Law §230(12) based on the matters set forth in Exhibit "A."

Said Order shall be effective upon issuance and shall remain in effect until the final determination of the proceeding anticipated to be brought pursuant to N.Y. Public Health Law §230(10).

I hereby waive the minimum notice requirement of 20 days for service of the statement of charges and notice of hearing as specified in N.Y. Public Health Law §230(10)(d). -

Said Order shall impose the following Conditions:

- I shall notify the medical licensing agency of any other state or jurisdiction in which I hold or apply for medical licensure of the Order to which I am subject;
- I shall submit to the Director of the Office of Professional Medical Conduct (OPMC) by the first of each month, a signed, notarized written statement in which I declare whether I have complied with the Order during the prior month or, in the statement due the first of March, 2000, during the period between the issuance of the Order and the date of the statement;
- The Office of Professional Medical Conduct shall notify the New York State Education Department, the National Practitioner Data Bank and all hospitals and

institutions at which I have privileges, and any other inquiring person or entity of the terms of this order. The Office shall also post this Order's existence on the Health Department's Website. I have privileges at the following hospitals and institutions:

This

Order may be made public should the Director of OPMC determine that I am practicing medicine in violation of this Order.

- An order issued pursuant to this Application shall be effective as of the date signed by the Chairperson of the Board or his designee.

I further understand and agree that:

Failure by me to fully comply with such Order shall constitute professional misconduct as defined in N.Y. Educ. Law §6530(29); and any practice of medicine by me in the State of New York in violation of this Order shall be practicing beyond the scope permitted by law and shall constitute professional misconduct within the meaning of N.Y. Educ. Law §6530(24);  
and

Any practice of medicine by me in the State of New York in violation of this Order shall be fraudulent and/or unauthorized and shall constitute professional misconduct within the meaning of N.Y. Educ. Law §8530(2); and unauthorized medical practice which is a felony defined by N.Y. Educ. Law §6512.

I understand that nothing contained herein shall be construed to be an admission of any act of misconduct alleged or charged against me.

I understand and agree that in the event the Board grants this Application, the Chairperson of the Board shall issue an Order in accordance with same.

I am making this Application of my own free will and accord, and not under duress, compulsion or restraint of any kind or manner.
