STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

-----X
IN THE MATTER : HEARING
OF : COMMITTEE'S
PRABHA PRAKASH, M.D. : DETERMINATION
: AND
: ORDER NO. BPMC-93-18
-----X

A Notice of Hearing and Statement of Charges, both dated September 16, 1992, were served upon the Respondent, Prabha Prakash, M.D. **KENNETH KOWALD**, (Chairperson), **RAFAEL A. LANTIGUA, M.D.**, and **GEORGE HYAMS, M.D.**, duly designated members of the State Board of Professional Medical Conduct, served as the Hearing Committee in this matter pursuant to §230(10)(e) of the Public Health Law.

BENJAMIN J. MIGLIORE, Administrative Law Judge, served as the Hearing Officer. A hearing was held on January 6, 1993 at 5 Penn Plaza, Conference Room A, Sixth Floor, New York City. The Department of Health appeared by Marcia E. Kaplan, Esq., Associate Counsel. The Respondent appeared by George Weinbaum, Esq. Evidence was received and witnesses sworn and heard and transcripts of these proceedings were made.

After consideration of the entire record, the Hearing Committee issues this Determination and Order.

STATEMENT OF CASE

This proceeding was brought pursuant to Public Health Law §230(10)(p). The statute provides for an expedited hearing where a licensee is charged solely with a violation of N.Y. Education Law §6530(9) (McKinney Supp.

1992). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York or another jurisdiction, or upon a prior administrative adjudication regarding conduct which would amount to professional misconduct, if committed in New York. The scope of the expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, Respondent is charged with professional misconduct pursuant to N.Y. Education Law §6530(9)(a)(i) (McKinney Supp. 1992). A copy of the Notice of Referral Proceeding and Statement of Charges is attached to this Determination and Order in Appendix I.

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers in parentheses refer to transcript page numbers or exhibits. These citations represent evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence.

1. Prabha Prakash, M.D. (hereinafter Respondent) was authorized to practice medicine in New York State on August 11, 1978 by the issuance of license number 135525 by the New York State Education Department. The Respondent is

currently registered with the New York State Education Department to practice medicine for the period January 1, 1991 through December 31, 1992. (Pet. Ex. 1)

2. On February 6, 1992, the Respondent was convicted after a plea of guilty in the County Court of the State of New York, County of Westchester, of offering a false instrument for filing in the second degree, a Class A misdemeanor, in violation of §175.30 of the Penal Law. (Pet. Ex. 1)

3. The misdemeanor conviction involved the presentment of a claim for payment under the Medicaid Program to Computer Sciences Corporation, a fiscal agent for the State of New York, which claim contained false statements and information, in that Respondent provided psychiatric therapy of "approximately 45 to 50 minutes" to Medicaid recipient Lydia Ortiz on June 6, 1991, when Respondent knew that she had not provided such service. (Pet. Ex. 1)

4. Respondent was sentenced on February 6, 1992 to a one-year conditional discharge and restitution of \$8,238.00 to New York State. (Pet. Ex. 3A)

CONCLUSIONS OF LAW

The following conclusions were made pursuant to the Findings of Fact listed above. All conclusions resulted from a unanimous vote of the Hearing Committee unless noted otherwise.

The Hearing Committee unanimously concluded that the Department had met its burden of proof. The preponderance of the evidence clearly demonstrated that Respondent was convicted of a crime under the State Penal Law, by virtue of her plea of guilty to the charge of offering a false instrument for filing in the second degree. This constitutes professional misconduct as defined in N.Y. Education Law §6530(9)(a)(i) (McKinney Supp. 1992). The Hearing Committee, therefore, sustained the specification of misconduct contained in the Statement of Charges.

DETERMINATION AS TO PENALTY

The Hearing Committee, pursuant to the Findings of Fact and Conclusions of Law set forth above, unanimously determined that an appropriate sanction would be a censure and reprimand of the Respondent. This determination was reached upon due consideration of the full spectrum of penalties available pursuant to statute, including revocation, suspension and/or probation, censure and reprimand, and the imposition of monetary penalties.

A physician's license to practice medicine is a privilege granted to the members of the profession. By holding oneself out as a physician, Respondent has placed herself in a position of public trust. Respondent's conduct while reprehensible contained some mitigating factors. Respondent was remorseful and repeatedly stated that she had

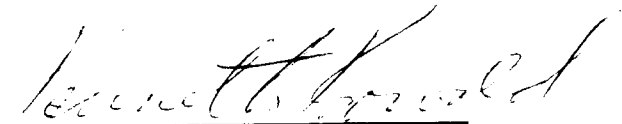

not completely read the Department of Social Services manual explaining billing codes (Resp. Ex. E). Moreover, Respondent made full restitution of \$8,238.00 to New York State and she was never found to have billed patients that she did not provide professional services. Other mitigating factors are that the Respondent no longer is engaged in private practice (she works full-time in a public institution) and there is no health risk to the public at large. The County Court Judge believed the Respondent when she stated that she was "truly sorry" (Pet. Ex. 3F) and issued a conditional discharge. Consequently, the Hearing Committee concluded that a censure and reprimand is the appropriate sanction.

ORDER

Based upon the foregoing, it is hereby ordered
that:

1. The specification of professional misconduct contained in the Statement of Charges (Pet. Ex. 1) is **sustained**; and
2. Respondent shall be issued a **censure and reprimand**.

EXHIBIT 1

You may appear in person at the proceeding and may be represented by counsel. You may produce evidence or sworn testimony on your behalf. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered which would show that the conviction would not be a crime in New York State. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to Larry Storch, Administrative Law Judge, New York State Department of Health, Corning Tower Building, 25th Floor, Empire State Plaza, Albany, New York 12237, as well as the Department of Health attorney indicated below, on or before November 9, 1992 .

Pursuant to Section 301(5) of the State

Administrative Procedure Act, the Department, upon reasonable notice, will provide at no charge a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person.

The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to Judge Storch at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.

The Committee will make a written report of its findings, conclusions as to guilt, and a determination. Such determination may be reviewed by the administrative review board for professional medical conduct.

SINCE THESE PROCEEDINGS MAY RESULT IN A DETERMINATION THAT SUSPENDS OR REVOKES YOUR LICENSE TO PRACTICE MEDICINE IN NEW YORK STATE AND/OR IMPOSES A FINE FOR EACH OFFENSE CHARGED.
