DAVID RABINOWITZ, M.D., being duly sworn, deposes and says:

That on or about January 31, 1984, I was licensed to practice as a physician in the State of New York, having been issued License No. 157252 by the New York State Education Department.

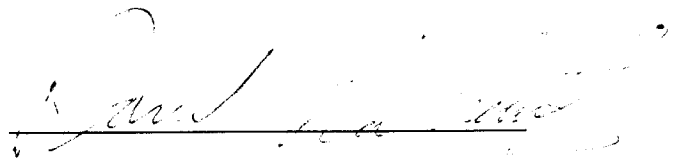

My current address is 1400 E. 18th Street, Brooklyn, NY, 11230 and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I am currently subject to OPMC Order no. 96-193 (Attachment I) (henceforth "Original Order"), which was issued upon an Application For Consent Order signed by me on August 5, 1996 (henceforth "8/5/96 Application"), adopted by the Original Order. I hereby apply to the State Board for Professional Medical Conduct for an Order (henceforth "Modification Order"), modifying the Original Order, so as to provide that on August 27, 1997 the period of probation imposed by the Original Order shall terminate.

I hereby make this Application to the State Board for Professional Medical Conduct (the Board) and request that it be granted, based upon evidence I have submitted to the Board, indicating that I have substantially met all concerns of the Board, and that circumstances have changed, rendering the completion of the full, original term of probation unnecessary.

I agree that, in the event the Board grants my Application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same.

I am making this Application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the value to me of the acceptance by the Board of this Application, allowing me to resolve this matter without the various burdens of completing the full original period of probation, I knowingly waive any right I may have to contest the Consent Order for which I hereby apply, whether administratively or judicially, and ask that the Application be granted.
