SAMSON ADEGBITE, M.D., says:

On or about July 22, 1988, I was licensed to practice as a physician in the State of New York, having been issued license number 175350 by the New York State Education Department.

My current address is 28 Stoneledge Court, Williamsville, New York 14221, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that I have been charged with two specifications of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit A.

I do not contest the first and second specifications, factual allegations A4 and B4 only.

I hereby agree to the following penalty:

1. Three year term of probation on the terms and conditions affected.
2. Payment of a fine of \$14,000.
3. Censure and Reprimand issued by the Board for Professional Medical Conduct.

I agree that in the event that I am charged with professional misconduct in the future, this agreement and order shall be admitted into evidence in that proceeding.

I agree that, as a condition of this Order, I will maintain current registration of my license with the New York State Education Department, Division of Professional Licensing Services, and pay all registration fees. This condition will remain in effect except during periods of actual suspension, if any, imposed by this Order. This condition shall be in effect beginning thirty days after the effective date of this Order and will continue until the full term of the Order has run, and until any associated period of probation and all probation terms have been completed and satisfied. I understand that any failure by me to comply with this condition shall constitute misconduct as defined by New York State Education Law §6530(29).

I understand that, in the event that the Board does not grant this application, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me; such application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the State Board for Professional Medical Conduct grants my application, an order of the Chairperson of the Board shall be issued in accordance with same.

I make this application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner.
