**IN THE MATTER
OF
MICHAEL JACOB TEPLITSKY , M.D.**

**DETERMINATION
AND
ORDER**

BPMC-94-262

A Notice of Hearing and Statement of Charges both dated August 10, 1994, were served upon the Respondent, MICHAEL JACOB TEPLITSKY, M.D. RUFUS A. NICHOLS, M.D., (Chair), BENJAMIN WAINFELD, M.D., and RANDOLPH MANNING, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter pursuant to Section 230(10)(e) of the Public Health Law. CHRISTINE C. TRASKOS, ESQ., Administrative Law Judge, served as the Administrative Officer. A hearing was held on September 22, 1994. The Department of Health appeared by MARCIA KAPLAN, Esq., Associate Counsel. The Respondent appeared by, LIPKOWITZ & PLANT, ESQS., ROBERT HARRIS, ESQ. of counsel. Evidence was received and witnesses sworn and heard and transcripts of these proceedings were made.

After consideration of the entire record, the Hearing Committee issues this Determination and Order.

STATEMENT OF CASE

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing where a licensee is charged solely with a violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York or another jurisdiction, or upon a prior

administrative adjudication regarding conduct which would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, Respondent is charged with professional misconduct pursuant to Education Law Section 6530 (9) (a) (i). A Copy of the Notice of Referral Proceeding and Statement of Charges is attached to this Determination and Order in Appendix I.

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers in parentheses refer to transcript page numbers or exhibits. These citations represent evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence.

1. Respondent was authorized to practice medicine in New York State on July 15, 1986 by the issuance of license number 166986 by the New York State Education Department. (Pet. Ex. 2)

2. On or about February 15, 1994, Respondent was convicted, after a bench trial in the Criminal Court of the City of New York, County of Kings, of Sexual Abuse in the Third Degree, a Class B misdemeanor, in violation of Section 130.55 of the Penal Law, in that on or about May 23, 1993, Respondent subjected another person, K.T., to sexual contact without her consent by grabbing her breasts without her permission. (Pet. Ex. 3B)

3. On or about February 15, 1994, Respondent was sentenced to a conditional discharge, with conditions including a \$500 fine, and an order of protection ordering Respondent to stay completely away from K.T. (Pet. Ex. 3A and 3B)

CONCLUSIONS OF LAW

The following conclusions were made pursuant to the Findings of Fact listed above. All conclusions resulted from a unanimous vote of the Hearing Committee unless noted otherwise.

The Hearing unanimously concluded that the Department has sustained its burden of proof. The preponderance of the evidence demonstrates that Respondent was convicted of Sexual Abuse in the Third Degree, in violation of the New York Penal Code. Section 6530 (9) (a) (i) of the Education Law defines professional misconduct as "being convicted of committing an act constituting a crime under New York state law." As a result, the Hearing Committee voted to sustain the Specification of professional misconduct contained within the Statement of Charges.

DETERMINATION AS TO PENALTY

The Hearing Committee, pursuant to the Findings of Fact and Conclusions of Law set forth above, unanimously determined that Respondent's license to practice medicine in New York State should be suspended for three years following the effective date of this Determination and Order. The suspension shall be stayed in full and Respondent placed on Probation. The complete terms of probation are attached to this Determination and Order in Appendix II. This determination was reached upon due consideration of the full spectrum of penalties available pursuant to statute, including revocation, suspension and/or probation, censure and reprimand, and the imposition of monetary penalties.

At the Hearing, Respondent testified that since the time of the underlying incident, he always has a nurse or the receptionist present whenever he is in his examination room with a female patient. (T. 61-63) In addition, Respondent keeps his consultation room door open when speaking to a female patient. (T. 63-64) Respondent further testified that his

wife, who functions as the financial manager of the office, is sometimes present when female patients are examined. (T. 59,60,63) Respondent also offered the testimony of Paul Goldhill, M.D., a Board certified psychiatrist with forty years of experience. (T. 84-85) Dr. Goldhill testified that in his opinion, Respondent is an emotionally stable person whose actions stemmed from naivety and not an intrinsic problem. (T.102, 103)

The Hearing Committee found Respondent to be a credible witness. They believe that the actions underlying the conviction were a one time incident and that Respondent apparently learned his lesson not to examine female patients alone. However, the Hearing Committee has an obligation to protect the public in the event Respondent were to abuse a patient in the future. Even Dr. Goldhill testified that "one episode as far as a psychiatrist is concerned is rather meaningless in terms of predicting the future." (T. 101) Therefore, the imposition of three years of probation with counselling establishes adequate monitoring of Respondent for a sufficient period of time, in the event a repeat episode of sexual contact with a patient was to occur. The Hearing Committee believes that under the totality of the circumstances, a three year stayed suspension with probation and the requirement of counselling are the appropriate sanctions in this instance.

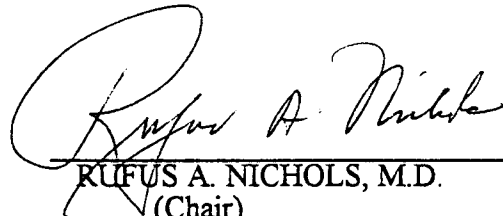

ORDER

Based upon the foregoing, **IT IS HEREBY ORDERED THAT:**

1. The Specifications of professional misconduct contained within the Statement of Charges (Petitioner's Exhibit #1) is **SUSTAINED**;

2. Respondent's license to practice medicine in New York State be and hereby is **SUSPENDED** for a period of three years from the effective date of this Determination and Order. The suspension shall be stayed and Respondent shall be placed on probation in accordance with the terms of probation contained in Appendix II which is attached to this Determination and Order and incorporated herein.

An adjudicatory proceeding will be held pursuant to the provisions of N.Y. Pub. Health Law Section 230(10)(p) (McKinney Supp. 1994) and N.Y. State Admin. Proc. Act Sections 301-307 and 401 (McKinney 1984 and Supp. 1994). The proceeding will be conducted before a committee on professional conduct of the State Board for Professional Medical Conduct (Committee) on the 22nd day of September, 1994 at 10:00 o'clock in the forenoon of that day at 5 Penn Plaza, 6th Floor, New York, New York 10001.

At the proceeding, evidence will be received concerning the allegations set forth in the Statement of Charges, which is attached. A stenographic record of the proceeding will be made and the witnesses at the proceeding will be sworn and examined.

You may appear in person at the proceeding and may be represented by counsel. You may produce evidence or sworn testimony on your behalf. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered which would show that the conviction would not be a crime in New York State. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Corning Tower Building, 25th Floor, Empire State Plaza, Albany, New York 12237, ATTENTION: HON. The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.

The Committee will make a written report of its findings, conclusions as to guilt, and a determination. Such determination may be reviewed by the administrative review board for professional medical conduct.
