You may appear in person at the proceeding and may be represented by counsel. You may produce evidence or sworn testimony on your behalf. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered which would show that the conviction would not be a crime in New York State. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Corning Tower Building, 25th Floor, Empire State Plaza, Albany, New York 12237, ATTENTION: HON. TYRONE BUTLER, DIRECTOR, BUREAU OF ADJUDICATION, (henceforth "Bureau of Adjudication") as well as the Department of Health attorney indicated below, on or before September 29, 1994.

You may file a written answer, brief, and affidavits with the Committee. Six copies of all papers you wish to submit must be filed with the Bureau of Adjudication at the address indicated above on or before September 29, 1994 and a copy of

all papers must be served on the same date on the Department of Health attorney indicated below. The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.

The Committee will make a written report of its findings, conclusions as to guilt, and a determination. Such determination may be reviewed by the administrative review board for professional medical conduct.

SINCE THESE PROCEEDINGS MAY RESULT IN A DETERMINATION THAT SUSPENDS OR REVOKES YOUR LICENSE TO PRACTICE MEDICINE IN NEW YORK STATE
