NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER
OF
KAMROOZ SANII, M.D.

CONSENT
AGREEMENT
AND
ORDER

Kamrooz Sanii, M.D., representing that all of the following statements are true, deposes and says:

That on or about January 2, 1981, I was licensed to practice as a physician in the State of New York, and issued License No. 144905 by the New York State Education Department.

My current address is 1732 David Drive, Olean, New York 14760, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with ten specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I agree not to contest the Fifth Specification of Charges to the extent of the factual allegations in paragraphs A and A.1 and A and A.2, in full satisfaction of the charges against me, and agree to the following penalty:

1. Pursuant to §230-a(3) of the Public Health Law, my license to practice medicine in the state of New York shall be limited so as to prohibit me from performing the following surgical procedures: radical prostatectomy, total cystectomy, nephrectomy, partial nephrectomy, cutaneous uretero-ileostomy, dissection of the retroperitoneal tissue and operations for sex transformations. This

license limitation shall continue until: (1) I undergo additional education and training regarding these procedures in programs pre-approved in writing by the Office of Professional Medical Conduct (OPMC); and (2) OPMC determines in writing that the limitation should be lifted. My retraining in one or more of these surgical procedures and consequent OPMC action lifting the license limitation for that procedure will not be deemed to be a lifting of the license limitation regarding the remaining procedures.

2. A period of probation of two years, during which I must fully comply with the Terms of Probation attached hereto as Exhibit "B".

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall maintain current registration of licensure with the New York State Education Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) days after the Consent Order's effective date and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of

Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first.

I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the

Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially. I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

STATEMENT
OF
CHARGES

Kamrooz Sanii, M.D., the Respondent, was authorized to practice medicine in New York State on or about January 2, 1981, by the issuance of license number 144905 by the New York State Education Department.

FACTUAL ALLEGATIONS

- A. From on or about December 14, 1998, to on or about January 11, 1999, Respondent treated Patient A (patients are identified in Appendix A), a seventy-four year old male, at Olean General Hospital, Olean, New York. On or about December 16, 1998, Respondent performed a radical prostatectomy on Patient A. Respondent's care of Patient A did not meet acceptable standards in that:
1. Before December 16, 1998, Respondent inadequately assessed Patient A's prostate cancer in that he failed to order a prostate-specific antigen (PSA) determination, failed to assure that an adequate and complete intravenous pyelogram (IVP) was attempted, and failed to order a preoperative cystogram and/or a cystoscopy.
 2. During the December 16, 1998 surgery, Respondent perforated Patient A's unprepared rectum, inadequately closed Patient A's rectal wall and/or failed

to perform a diverting colostomy at the time the rectal laceration was recognized.

- B. From on or about February 19, 1998 through on or about March 9, 1998 and from on or about March 11 through on or about March 25, 1998, Respondent treated Patient B, a sixty-four year old female, at Olean General Hospital, Olean, New York. Respondent's care of Patient B did not meet acceptable standards in that on or about February 19, 1998, Respondent inappropriately performed a total cystectomy and an ileal conduit urinary diversion and/or failed to perform or document closure of the proximal end of the isolated ileal segment from which he fashioned an ileal conduit and into which he implanted the ureters.
- C. From on or about September 1, 1998 through on or about October 12, 1998, Respondent treated Patient C, a fifty-four year old male, at Olean General Hospital, Olean, New York. On or about October 8, 1998, Respondent performed a staging lymph node dissection and a radical retropubic prostatectomy on Patient C. Respondent's care of Patient C did not meet acceptable standards of care in that:
1. On or about October 8, 1998, during surgery, Respondent failed to adequately control the dorsal-venous complex before cutting into the veins.
 2. On or about October 8, 1998, Respondent failed to adequately identify structures before suturing the urethrovesical anastomosis.

- D. From on or about June 10, 1996 through on or about June 20, 1996, Respondent treated Patient D, a sixty-nine year old male, at Olean General Hospital, Olean, New York. On or about June 20, 1996, Respondent performed a bilateral staged pelvic lymph node dissection and a radical retropubic prostatectomy on Patient D. Respondent's care of Patient D did not meet acceptable standards of care in that
1. On or about June 20, 1996, Respondent's surgical technique was inappropriate in that Respondent failed to identify and/or isolate the dorsal venous complex.
 2. Respondent failed to wait an appropriate time after performing a prostate biopsy on Patient D before attempting the June 20, 1996 surgery on Patient D.

EXHIBIT "B"

Terms of Probation

1. Respondent's conduct shall conform to moral and professional standards of conduct and governing law. Any act of professional misconduct by Respondent as defined by New York State Education Law §6530 or §6531 shall constitute a violation of probation and may subject Respondent to an action pursuant to New York State Public Health Law §230(19).
2. Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Hedley Park Place, 433 River Street Suite 303, Troy, New York 12180-2299 with the following information, in writing, and ensure that such information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility, within thirty (30) days of each action.
3. Respondent shall cooperate fully with, and respond in a timely manner to, OPMC requests to provide written periodic verification of Respondent's compliance with the terms of this Consent Order. Upon the Director of OPMC's request, Respondent shall meet in person with the Director's designee.
4. Respondent's failure to pay any monetary penalty by the prescribed date shall subject Respondent to all provisions of law relating to debt collection by New York State, including but not limited to: the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; and non-renewal of permits or licenses [Tax Law section 171(27)]; State Finance Law section 18; CPLR section 5001; Executive Law section 32].
5. The probation period shall toll when Respondent is not engaged in active medical practice in New York State for a period of thirty (30) consecutive days or more. Respondent shall notify the Director of OPMC, in writing, if Respondent is not currently engaged in, or intends to leave, active medical practice in New York State for a consecutive thirty (30) day period. Respondent shall then notify the Director again at least fourteen (14) days before returning to active practice. Upon Respondent's return to active practice in New York State, the probation period will resume and Respondent shall fulfill any unfulfilled probation terms.
6. The Director of OPMC may review Respondent's professional performance. This review may include but shall not be limited to: a review of office records, patient records and/or hospital charts; and interviews with or periodic visits with Respondent and Respondent's staff at practice locations or OPMC offices.
7. Respondent shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients and contain all information required by State rules and regulations concerning controlled substances.
8. Respondent shall comply with this Order and all its terms, and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with, violation of, these terms, the Director of OPMC and/or the Board may initiate a violation of probation proceeding, and/or any other such proceeding authorized by law, against Respondent.
