Chair
State Board for Professional Medical Conduct

**NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT**

**IN THE MATTER
OF
SHARDA KIRAN DAVE, M.D.**

**CONSENT
AGREEMENT
AND
ORDER**

SHARDA KIRAN DAVE, M.D., representing that all of the following statements are true, deposes and says:

That on or about December 28, 1979, I was licensed to practice as a physician in the State of New York, and issued License No. 140912 by the New York State Education Department.

My current address is 47-09 156th Street, Flushing, New York 11355, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with four specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I agree not to contest the allegations contained in the First and Second Specifications, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to NY Pub. Health Law Sec. 230-a(3), I shall be subject to a limitation of my license to practice medicine, in that, I shall be limited to practice only in the area of anesthesiology, and I shall be limited to practice only in a hospital setting. Said limitation on my license to practice medicine shall remain in full

force and effect for a period of five (5) years.

That I shall be subject to a three (3) year suspension of my license to practice medicine, the execution of which shall be stayed;

That I shall be subject to a three (3) year period of probation, with monitoring of my practice, subject to the terms set forth in Exhibit "B" annexed hereto; and

That I shall enroll in and obtain training and certification in Advanced Cardiac Life Support (ACLS), in accordance with the terms set forth in Exhibit "B."

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall maintain current registration of licensure with the New York State Education Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) days after the Consent Order's effective date and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely

manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first.

I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

EXHIBIT "B"

Terms of Probation

1. Respondent's conduct shall conform to moral and professional standards of conduct and governing law. Any act of professional misconduct by Respondent as defined by New York State Education Law §6530 or §6531 shall constitute a violation of probation and may subject Respondent to an action pursuant to New York State Public Health Law §230(19).
2. Respondent shall maintain current registration of licensure with the New York State Education Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees.
3. Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Hedley Park Place, 433 River Street Suite 303, Troy, New York 12180-2299 with the following information, in writing, and ensure that such information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility, within thirty (30) days of each action.
4. Respondent shall cooperate fully with, and respond in a timely manner to, OPMC requests to provide written periodic verification of Respondent's compliance with the terms of this Consent Order. Upon the Director of OPMC's request, Respondent shall meet in person with the Director's designee.
5. Respondent's failure to pay any monetary penalty by the prescribed date shall subject Respondent to all provisions of law relating to debt collection by New York State, including but not limited to: the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; and non-renewal of permits or licenses [Tax Law section 171(27)]; State Finance Law section 18; CPLR section 5001; Executive Law section 32].
6. The probation period shall toll when Respondent is not engaged in active medical practice in New York State for a period of thirty (30) consecutive days or more. Respondent shall notify the Director of OPMC, in writing, if Respondent is not currently engaged in, or intends to leave, active medical practice in New York State for a consecutive thirty (30) day period. Respondent shall then notify the Director again at least fourteen (14) days before returning to active practice. Upon Respondent's return to active practice in New York State, the probation period will resume and Respondent shall fulfill any unfulfilled probation terms.
7. The Director of OPMC may review Respondent's professional performance. This review may include but shall not be limited to: a review of medical records, patient records and/or hospital charts; and interviews with or periodic visits with Respondent and staff at practice locations or OPMC offices.

PRACTICE MONITOR

8. Within thirty days of the effective date of the order, Respondent shall practice

medicine only when monitored by a licensed physician, board certified in the appropriate specialty of anesthesiology ("practice monitor") proposed by Respondent and subject to the written approval of the Director of OPMC.

- a. Respondent shall make available to the monitor any and all records or access to the practice requested by the monitor, including on-site observation. The practice monitor shall visit Respondent's medical practice at each and every location, on a random unannounced basis at least monthly and shall examine a selection (no fewer than 20) of records maintained by Respondent, including patient records and prescribing information. The review will determine whether the Respondent's medical practice is conducted in accordance with the generally accepted standards of professional medical care. Any perceived deviation of accepted standards of medical care or refusal to cooperate with the monitor shall be reported within 24 hours to OPMC.
 - b. Respondent shall be solely responsible for all expenses associated with monitoring, including fees, if any, to the monitoring physician.
 - c. Respondent shall cause the practice monitor to report quarterly, in writing, to the Director of OPMC.
 - d. Respondent shall maintain medical malpractice insurance coverage with limits no less than \$2 million per occurrence and \$6 million per policy year, in accordance with Section 230(18)(b) of the Public Health Law. Proof of coverage shall be submitted to the Director of OPMC prior to Respondent's practice after the effective date of this Order.
9. Respondent shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients and contain all information required by State rules and regulations concerning controlled substances.
 10. Respondent shall enroll in and obtain training and certification in ACLS, in a program proposed by Respondent and approved, in writing and in advance, by the Director of OPMC. Respondent shall successfully complete training and obtain ACLS certification within the first six (6) months of the probation period.
 11. Respondent shall comply with this Order and all its terms, and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with, or violation of, these terms, the Director of OPMC and/or the Board may initiate a violation of probation proceeding, and/or any other such proceeding authorized by law, against Respondent.
