My current address is [REDACTED]

and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I am currently subject to BPMC Order # BPMC 03-273 (Attachment I) (henceforth "Original Order"), which was issued upon an Application For Consent Order signed by me on August 25, 2003, (henceforth "Original Application"), adopted by the Original Order. I hereby apply to the State Board for Professional Medical Conduct for an Order (henceforth "Modification Order"), modifying the Original Order, as follows:

The sanction imposed in the Original Order was:

Pursuant to New York Pub. Health Law § 230-a(2), my license to practice medicine in New York State shall be suspended for a period of 60 months, stayed, with the duration of said suspension to be stayed on the condition of

my compliance with Probationary Terms set forth in Exhibit "B" attached hereto.

The sanction imposed shall be modified to read as follows:

- Pursuant to N.Y. Pub. Health Law § 230-a(6), Respondent shall be subject to a limitation precluding registration or issuance of any further license; and
- That Respondent, who does not currently practice in the State of New York, shall be precluded from practicing medicine in New York State, from practicing in any setting where his practice is based solely on his New York license, and from further reliance upon Respondent's New York license to practice medicine to exempt Respondent from the licensure, certification or other requirements set forth in statute or regulation for the practice of any other profession licensed, regulated or certified by the Board of Regents, Department of Education, Department of Health or the Department of State; and
- That Respondent shall, within 30 days of the issuance of the Modification Order, notify the New York State Education Department, Division of Professional Licensing Services, that Respondent's license status is "inactive", and shall provide proof of such notification to the Director of OPMC immediately upon having done so, and shall not reactivate or reregister the license at any time. This Modification Order shall strike the Condition in the Original Order requiring

Respondent to maintain active registration of Respondent's license with the New York State Education Department, Division of Professional Licensing Services, to pay all registration fees; and

- That Respondent shall comply with all the conditions set forth in attached "Attachment II" ("Requirements for Closing a Medical Practice Following an Agreement to Never Register/Never Practice");

and

- Effective from the date of this Modification Order, the conditions in the Original Order that require Respondent to develop, maintain, and /or update a physician profile shall terminate;

and

All remaining Terms and Conditions will continue as written in the Original Order.

I make this Application of my own free will and accord and not under duress, compulsion or restraint, and seek the anticipated benefit of the requested Modification. In consideration of the value to me of the acceptance by the Board of this Application, I knowingly waive my right to contest the Original Order or the Modification Order for which I apply, whether administratively or judicially, and ask that the Board grant this Application.

I understand and agree that the attorney for the Department, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional

Medical Conduct each retain complete discretion either to enter into the proposed agreement and Order, based upon my application, or to decline to do so. I further

understand and agree that no prior or separate written or oral communication can limit that discretion.

ORDER

Alan Putterman, D.O., Respondent, representing that all of the following statements are true, deposes and says:

That on or about October 23, 1981, I was licensed to practice as a physician in the State of New York, and issued License No. 147981 by the New York State Education Department.

My current address is 1532 Union Street, Schenectady, New York 12309, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with two specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I agree not to contest the specifications in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to §230-a(2) of the Public Health Law, my license to practice medicine in the State of New York shall be suspended for a period of 60 months, with the duration of said suspension to be stayed on the condition of my compliance with Probationary Terms set forth in Exhibit "B" attached hereto.

Pursuant to §230-a(9) of the Public Health Law, I shall be placed on probation for a period of 60 months, subject to the terms set forth in Exhibit "B."

And I further agree that the Consent Order shall impose the following conditions:

- a. That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State; and

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first.

I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.
