OF

**CONSENT
AGREEMENT
AND
ORDER**

BPMC No. 03-93

The Respondent, Elm Neurological Care P.C., says:

The Respondent is a professional service corporation duly authorized by the filing of its certificate of incorporation with the Department of State on December 21, 2000 to practice medicine in the State of New York pursuant to Article 15 of the Business Corporation Law.

The Respondent is subject to the jurisdiction of the State Board for Professional Medical Conduct, and the prehearing and hearing procedures of Title II-A of Article 2 of the New York Public Health Law, pursuant to Section 1503(d) of the New York Business Corporation Law.

The Respondent is applying to the State Board for Professional Medical Conduct for a Consent Agreement and Order imposing a penalty, pursuant to Section 230-a of the Public Health Law and Section 1503(d) of the Business Corporation Law, of revocation of its certificate of incorporation such that the revocation shall be effective immediately and shall be self-executing, provided, however, that pursuant to Article 10 of the Business Corporation Law, the Respondent will be permitted to wind up its affairs, including, but not limited to, collection of outstanding accounts receivables, notwithstanding this revocation, and this Consent Agreement and Order shall be

deemed automatically to be the final and operative document revoking the Respondent's certificate of incorporation, and the Respondent requests that the Board issue this Consent Agreement and Order.

The Respondent acknowledges that it has been charged with professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A."

Subject to the terms, conditions and limitations of this Consent Agreement and Order, the Respondent admits the allegations and specification set forth in the First Specification of the Statement of Charges in full satisfaction of all such allegations and specifications.

The Respondent agrees that, in the event the State Board for Professional Medical Conduct agrees with its proposal, this Consent Agreement and Order shall be issued revoking its certificate of incorporation. The Respondent agrees that such revocation shall be effective immediately and shall be self-executing, except for the application of the provisions of Article 10 of the Business Corporation Law, and this Consent Agreement and Order shall be deemed automatically to be the final and operative document revoking the Respondent's certificate of incorporation. The Respondent agrees, notwithstanding the above, nothing herein shall be construed to absolve the Respondent in any way from paying to the Departments of State, Education, and Taxation and Finance any outstanding taxes, fines and penalties.

In addition, the Respondent agrees that this Consent Agreement and Order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of this Consent Agreement and Order to it in care of Leonid

Slutsky, M.D., President, 19 Beverly Road, Great Neck, NY 11021, or to its attorney, or upon transmission via facsimile to it or its attorney, whichever is earliest.

The Respondent shall fully cooperate in every respect with the Office of Professional Medical Conduct in its administration and enforcement of this Consent Agreement and Order by providing written responses, attending meetings or providing documentation concerning verification of its compliance with the terms of this Consent Agreement and Order.

The Respondent agrees that in the event it is charged with professional misconduct in the future for violation or non-compliance with any provision of this Consent Agreement and Order, or in the event that it is charged with professional misconduct in the future for any other type of misconduct, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

The Respondent acknowledges that, in the event that this proposed agreement is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon it or construed to be an admission of any act of misconduct alleged or charged against it, such proposed agreement shall not be used against it in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

The Respondent is making this application of its own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the value to it of the acceptance by the Board of this application allowing it to resolve this matter without the various risks and burdens of a hearing on the merits, the Respondent knowingly waives any right it may have to contest, whether administratively or judicially, the Consent Agreement and Order issued hereunder for which it hereby applies and the Respondent asks that the application be granted.

The Respondent is making this application through its President and Shareholder, Leonid Slutsky, M.D., and the Respondent and Leonid Slutsky, M.D., warrant that he has the necessary corporate authority to enter into this Consent Agreement and Order on behalf of the Respondent and to consent on behalf of the Respondent to the revocation of the Respondent's certificate of incorporation.
