The undersigned, Antonia C. Novello, M.D., M.P.H., Dr. P.H., Commissioner of the New York State Department of Health, after an investigation, upon the recommendation of a committee on professional medical conduct of the State Board for Professional Medical Conduct, and upon the Statement of Charges attached, hereto, and made a part hereof, has determined that **IRA STRICKMAN, D.O.**, Respondent, licensed to practice medicine in New York state on February 2, 1973, by license number 116246, has been found guilty, based on a plea of guilty, of committing acts constituting felonies under federal law in the United States District Court, Southern District of Florida.

It is therefore,

ORDERED, pursuant to N.Y. Public Health Law Section 230(12)(b), that effective immediately, **IRA STRICKMAN, D.O.**, Respondent, shall not practice medicine in the State of New York or in any other jurisdiction where that practice is dependent on a valid New York State license to practice medicine. This order shall remain in effect unless modified or vacated by the Commissioner of Health pursuant to N.Y. Public Health Law Section 230(12).

PLEASE TAKE NOTICE that a hearing will be held pursuant to the provisions of N.Y. Public Health Law Section 230, and N.Y. State Admin. Proc. Act Sections 301-307 and 401. The hearing will be conducted before a committee on professional conduct of the State Board of Professional Medical Conduct, on the 18th day of September, 2003 at 10:00 am in the forenoon at Hedley Park Place, 433 River Street, 5th Floor, Troy, New York 12180. The Respondent may file an answer to the Statement of Charges with the below-named attorney for the Department of Health.

At the hearing, evidence will be received concerning the allegations set forth in the Statement of Charges, that is attached. A stenographic record of the hearing will be made and the witnesses at the hearing will be sworn and examined. The Respondent shall appear in person at the hearing and may be represented by counsel. The Respondent has the right to produce witnesses and evidence on his behalf, to issue or have subpoenas issued on his behalf for the production of witnesses and documents. Such evidence or sworn testimony shall be strictly limited to evidence and testimony relating to the nature and severity of the penalty to be imposed upon the licensee. Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered that would show that the conviction would not be a crime in New York state. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify. Respondent has the right cross-examine witnesses and examine evidence produced against him. A summary of the Department of Health Hearing Rules is enclosed. Pursuant to Section 301(5) of the State Administrative Procedure Act, the Department, upon reasonable notice, will provide at no charge, a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person.

The hearing will proceed whether or not the Respondent appears at the hearing. Scheduled hearing dates are considered dates certain and, therefore, adjournment requests are not routinely granted. Requests for adjournments must be made in writing to the Administrative Law Judge's Office, Hedley Park Place, 433 River Street, 5th Floor, Troy, New York 12180 (518-402-0751), upon notice to the attorney for the Department of Health whose name appears below, and at least five days prior to the scheduled hearing date. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation.

At the conclusion of the hearing, the committee shall make findings of fact, conclusions concerning the charges sustained or dismissed, and, in the event that any of the charges are sustained, a determination of the penalty or sanction to be imposed or appropriate action to be taken. Such determination may be reviewed by the Administrative Review Board for Professional Medical Conduct.
