NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

**IN THE MATTER  
OF  
MICHAEL EVAN SACHS, M.D.**

**CONSENT  
AGREEMENT  
AND  
ORDER**

MICHAEL EVAN SACHS, M.D., representing that all of the following statements are true, deposes and says:

That on or about August 19, 1977, I was licensed to practice as a physician in the State of New York, and issued License No.131958 by the New York State Education Department.

My current address is 128 Central Park South, Suite 1D, New York, N.Y. 10019, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with one specification of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I do not contest the First Specification in full satisfaction of the charges against me and to conclude the investigation of such other alleged incidents of which the Department is aware, as set forth in Exhibit "C", and agree to the following penalty:

Pursuant to §230-a(3) of the Public Health Law, my license to practice medicine in the state of New York shall be limited, as follows:

I shall be precluded from performing complex nasal procedures except when assisting, or assisted by, a surgeon who is either Board-

certified by the American Board of Plastic Surgery, Inc. or Board-Certified by the American Board of Otolaryngology and who has completed a fellowship in facial-plastic surgery, and who has at least ten years of experience and expertise in performing such complex procedures. For purposes of this limitation, the term "complex nasal procedures" shall mean those requiring multiple operations (more than two planned procedures) and serial reconstructive procedures, including those involving congenital malformations.

This limitation shall not preclude me from performing, without such assistance, routine nasal-septal procedures, including but not limited to routine nasoplasties, open rhinoplasties, and cartilage or synthetic grafts for structural and functional purposes.

Pursuant to §230-a(9) of the Public Health Law, I shall be placed on probation for a period of three years, subject to the terms and conditions set forth in attached Exhibit "B." Upon my successful completion of two years of probation, I may petition the Director for an early termination of probation and the Director shall exercise reasonable discretion in deciding whether to grant my petition.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall maintain active registration of his license with the New York State Education Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) days after the Consent Order's effective date and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first.

I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

DATED 11/9/04

  
MICHAEL EVAN SACHS, M.D.  
RESPONDENT

The undersigned agree to Respondent's attached Consent Agreement and to its proposed penalty, terms and conditions.

1. Respondent's conduct shall conform to moral and professional standards of conduct and governing law. Any act of professional misconduct by Respondent as defined by New York State Education Law §6530 or §6531 shall constitute a violation of probation and may subject Respondent to an action pursuant to New York State Public Health Law §230(19).
2. Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Hedley Park Place, 433 River Street Suite 303, Troy, New York 12180-2299 with the following information, in writing, and ensure that such information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility, within thirty (30) days of each action.
3. Respondent shall cooperate fully with, and respond in a timely manner to, OPMC requests to provide written periodic verification of Respondent's compliance with the terms of this Consent Order. Upon the Director of OPMC's request, Respondent shall meet in person with the Director's designee.
4. The probation period shall toll when Respondent is not engaged in active medical practice in New York State for a period of thirty (30) consecutive days or more. Respondent shall notify the Director of OPMC, in writing, if Respondent is not currently engaged in, or intends to leave, active medical practice in New York State for a consecutive thirty (30) day period. Upon Respondent's return to active practice in New York State, the probation period will resume and Respondent shall fulfill any unfulfilled probation terms.
5. The Director of OPMC may review Respondent's professional performance. This review may include but shall not be limited to: a review of office records, patient records and/or hospital charts; and interviews with or periodic visits with Respondent and Respondent's staff at practice locations or OPMC offices.
6. Respondent shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients and contain all information required by State rules and regulations concerning controlled substances.

Within thirty days of the effective date of the order, Respondent shall practice medicine only when monitored by a licensed physician, Board certified by the American Board of Plastic Surgery, Inc. or Board-certified by the American Board of Otolaryngology ("practice monitor"), proposed by Respondent and subject to the written approval of the Director of OPMC.
  - a. Respondent shall make available to the monitor any and all records or access to the practice requested by the monitor, including on-site observation. The practice monitor shall visit Respondent's medical practice at each and every location, on a random unannounced basis at least monthly and shall examine a selection (no fewer than 20) of records maintained by Respondent, including patient records,

prescribing information and office records. The review will determine whether the Respondent's medical practice is conducted in accordance with the generally accepted standards of professional medical care. Any perceived deviation of accepted standards of medical care or refusal to cooperate with the monitor shall be reported within 24 hours to OPMC.

- b. Respondent shall be solely responsible for all expenses associated with monitoring, including fees, if any, to the monitoring physician.
  - c. Respondent shall cause the practice monitor to report quarterly, in writing, to the Director of OPMC.
  - d. Respondent shall maintain medical malpractice insurance coverage with limits no less than \$2 million per occurrence and \$6 million per policy year, in accordance with Section 230(18)(b) of the Public Health Law. Proof of coverage shall be submitted to the Director of OPMC prior to Respondent's practice after the effective date of this Order.
8. Respondent shall enroll in and complete a continuing education program in the areas of: reconstructive rhinoplasty, and developmental and traumatic anomalies, including structural and functional components, equivalent to at least 34 credit hours of Continuing Medical Education beyond the recommended minimum standards set by the Respondent's specialty accrediting body. This continuing education program is subject to the Director of OPMC's prior written approval and shall be completed within the first year of the probation period.
9. Respondent shall comply with this Order and all its terms, and shall bear all associated compliance costs.
