**CONSENT AGREEMENT  
AND ORDER**

BPMC No. 04-129

**ADRIENNE LOUISE RAY, M.D., states:**

That on or about June 28, 1991, I was licensed to practice as a physician in the State of New York, having been issued License No. 185874 by the New York State Education Department.

My current address is 6912 S. Shore Drive, Unit 2, Chicago, IL 60649, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address within thirty (30) days thereof.

I understand that the New York State Board for Professional Medical Conduct has charged me with two (2) specifications of professional misconduct, based solely upon the State of Illinois, Department of Professional Regulation, Consent Order No. 2002-06556-1, dated November 24, 2003.

A copy of the Statement of Charges is annexed hereto, made a part hereof, and marked as Exhibit A.

I do not contest the two (2) Specifications, in full satisfaction of the charges against me. I agree, hereby, to the following penalty:

Indefinite probation until the "probationary status" set forth in the State of Illinois, Department of Professional Regulation, Consent Order No. 2002-06556-1, dated November 24, 2003, is lifted; and

the balance of Respondent's student loan delinquency is paid off as certified by the Attorney General's Office of the Illinois Department of Public Health.

I further agree that the Consent Order for which I apply, hereby, shall impose the following conditions:

That I shall fully cooperate in every respect with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigation of all matters regarding Respondent. I shall respond in a timely manner to each and every request by OPMC to provide written periodic verification of Respondent's compliance with the terms of this Order. I shall meet with a person designated by the Director of OPMC as directed. I shall respond promptly and provide any and all documents and information within my control upon the direction of OPMC. This condition shall be in effect beginning upon the effective date of the Consent Order and will continue while I possess my license.

I stipulate, hereby, that any failure by me to comply with such conditions shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that in the event I am charged with professional misconduct in the future, this agreement and order shall be admitted into evidence in that proceeding.

I, hereby, make this application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.

I understand that, in the event that this application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the Board grants my application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same. I agree that such order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the Consent Order to me at the address set forth in this agreement, or to my attorney, or upon transmission via facsimile to me or my attorney, whichever is earliest.

I am making this application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the value to me of the acceptance by the Board of this application, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive any right I may have to contest the Consent Order for which I hereby apply, whether administratively or judicially, and ask that the application be granted.
