**IN THE MATTER
OF
LAWRENCE J. KESSLER, D.O.**

APPLICATION FOR
MODIFICATION
ORDER

LAWRENCE J. KESSLER, D.O., represents that all of the following statements are true:

That on or about April 10, 1992, I was licensed to practice as a physician in the State of New York, and issued License No.188733 by the New York State Education Department.

My current address is REDACTED and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I am currently subject to BPMC Order # BPMC 04-278 (Attachment I) (henceforth "Original Order"), which went into effect on December 10, 2004, and which was issued upon an Application For Consent Order signed by me on November 18, 2004, (henceforth "Original Application"), adopted by the Original Order. I hereby apply to the State Board for Professional Medical Conduct for an Order (henceforth "Modification Order"), modifying the Original Order, as follows:

The sanction imposed in the Original Order was a Censure and Reprimand, a \$10,000 fine, and that I be subject to the following Condition:

- I agree that I shall only issue a prescription to a patient with whom I have had a qualifying medical relationship. For purposes of this Consent Agreement and Order, a qualifying medical relationship shall mean that I shall have conducted at least one in-person medical evaluation of the patient. An in-person medical evaluation shall mean that I shall have conducted the evaluation in the physical presence of the patient, without regard to whether other portions of the evaluation have been conducted by other health professionals. Further, with respect to any patient, regardless of whether I have had a qualifying medical relationship with that particular patient, I shall not prescribe, dispense or administer anabolic steroids as defined either in 21 Code of Federal Regulations 1300.01(a)(4) or New York Public Health law 3306 (Schedule II)(h), human chorionic gonadotrophin or human growth hormone.

The sanction imposed shall be modified, as follows:

- The Condition set forth above shall terminate in its entirety upon the effective date of this Modification Order.

and

All remaining Terms and Conditions will continue as written in the Original Order.

I make this Application of my own free will and accord and not under duress, compulsion or restraint, and seek the anticipated benefit of the requested Modification. In consideration of the value to me of the acceptance by the Board of this Application, I

knowingly waive my right to contest the Original Order or the Modification Order for which I apply, whether administratively or judicially, and ask that the Board grant this Application.

I understand and agree that the attorney for the Department, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed agreement and Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER
OF
LAWRENCE JAY KESSLER, D.O.

CONSENT
AGREEMENT
AND
ORDER

Lawrence Jay Kessler, D.O., representing that all of the following statements are true, deposes and says:

That on or about April 10, 1992, I was licensed to practice as a physician in the State of New York, and issued License No. 188733 by the New York State Education Department.

My current address is REDACTED, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with ninety-eight specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I do not contest paragraphs A, B, C, E, E(1)(a - g), F, and F(1)(a - g) of the factual allegations and the thirty-third (insofar as it pertains to paragraphs A, B, C, E, E(1)(a - g), F, and F(1)(a - g)), sixty-eighth, and sixty-ninth specifications of the

Statement of Charges, in full satisfaction of the charges against me, and agree to the following penalty:

- I agree that I shall receive a censure and reprimand, pursuant to §230-a(1) of the Public Health Law.
- I agree that I shall be fined in the amount of \$10,000, pursuant to §230-a(7) and (9) of the Public Health Law, \$5,000 of which shall be paid within 30 days of the effective date of this Order and the remaining \$5,000 of which shall be paid within 90 days of the effective date of this Order. Payment must be submitted to:

Bureau of Accounts Management
New York State Department of Health
Corning Tower, Room 1245
Empire State Plaza
Albany, New York 12237

Failure to pay any monetary penalty by the prescribed date shall subject me to all provisions of law relating to debt collection by New York State, including but not limited to: the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; non-renewal of permits or licenses (Tax Law Section 171(27); State Finance Law Section 18; CPLR Section 5001; Executive Law Section 32).

- I agree that I shall only issue a prescription to a patient with whom I have had a qualifying medical relationship. For

purposes of this Consent Agreement and Order, a qualifying medical relationship shall mean that I shall have conducted at least one in-person medical evaluation of the patient. An in-person medical evaluation shall mean that I shall have conducted the evaluation in the physical presence of the patient, without regard to whether other portions of the evaluation have been conducted by other health professionals. Further, with respect to any patient, regardless of whether I have had a qualifying medical relationship with that particular patient, I shall not prescribe, dispense, or administer anabolic steroids as defined either in 21 Code of Federal Regulations 1300.01(a)(4) or New York Public Health Law 3306(Schedule II)(h), human chorionic gonadotrophin or human growth hormone.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall maintain current registration of licensure with the New York State Education Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) days after the Consent Order's effective date and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall cooperate fully with the Office of

Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in the future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile transmission to me or my attorney, whichever is first.

I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

EXHIBIT "A"

IN THE MATTER
OF
LAWRENCE JAY KESSLER, D.O.

STATEMENT
OF
CHARGES

LAWRENCE JAY KESSLER, D.O., (hereinafter, the "Respondent"), was authorized to practice medicine in New York State on April 10, 1992, by the issuance of license number 188733 by the New York State Education Department. The Respondent's current address, upon information and belief, is 2833 Len Drive, Bellmore, New York 11710.

FACTUAL ALLEGATIONS

- A. In approximately 1994, the Respondent became certified as a fellow of the American Board of Emergency Medicine.
- B. In approximately 2000, the Respondent established a professional relationship with Inter-Global Pharmacy and an affiliate, World Pharmacy, Inc., both located in the Grand Bahamas.
- C. The general terms of the relationship were that Inter-Global Pharmacy and World Pharmacy, Inc., faxed a set of records to the Respondent concerning a particular patient. The set of records generally consisted of: a "Fax Cover Sheet"; a "Patient Request to Prescribing Physician for Prescription and Medical Treatment"; a "Fax Laboratory Report"; a "Patient Agreement Authorizing World Pharmacy, Inc. To Select A Treating and Prescribing

Physician, Blood Testing Medical Laboratory and Dispensing Pharmacy ..."; and a "Confidential Medical History Form". The Respondent reviewed the set of records and then faxed to Inter-Global Pharmacy and World Pharmacy, Inc., signed prescriptions for that particular patient. Periodically, the Respondent sent Inter-Global Pharmacy and World Pharmacy, Inc., an invoice for medical services rendered. For each patient, the Respondent billed, and received from, Inter-Global Pharmacy and World Pharmacy, Inc., \$50 out of the money that each patient initially paid Inter-Global Pharmacy and World Pharmacy, Inc.

D. Specifically with respect to Patient A¹, on August 7, 2000, the Respondent provided medical care in the form of reviewing a set of records and issuing prescriptions to Inter-Global Pharmacy and World Pharmacy, Inc. The Respondent's care of Patient A, who had a history of removal of a brain tumor and seizure disorders, did not meet acceptable standards of medical care in that:

1. The Respondent prescribed human growth hormone (hereinafter, "HGH") and syringes to Patient A,
 - a. without having an adequate history available;
 - b. without performing a physical examination;
 - c. without ordering further examination or evaluation;
 - d. without formulating a justifiable diagnosis;
 - e. without ordering follow-up care;
 - f. without preparing adequate documentation; and

¹To preserve privacy throughout this document, patients are referred to by letter designation. An Appendix of patient names is attached hereto for appropriate recipients.

Respondent's care of Patient C did not meet acceptable standards of medical care in that:

1. The Respondent prescribed testosterone, HCG, HGH, syringes, and needles to Patient C,
 - a. without having an adequate history available;
 - b. without performing a physical examination;
 - c. without ordering further examination or evaluation;
 - d. without formulating a justifiable diagnosis;
 - e. without ordering follow-up care;
 - f. without preparing adequate documentation; and
 - g. subjecting Patient C to an increased risk of morbidity and mortality due to the potential for a significant harmful effect from, or adverse reaction to, the prescribed testosterone, HCG, and HGH.

G. Specifically with respect to Patient D, on June 9, 2000 and August 3, 2000, the Respondent provided medical care in the form of reviewing a set of records and issuing prescriptions to Inter-Global Pharmacy and World Pharmacy, Inc. The Respondent's care of Patient D did not meet acceptable standards of medical care in that:

1. The Respondent prescribed testosterone, HCG, HGH, syringes, and needles to Patient D,
 - a. without having an adequate history available;
 - b. without performing a physical examination;
 - c. without ordering further examination or evaluation;
 - d. without formulating a justifiable diagnosis;
 - e. without ordering follow-up care;

- f. without preparing adequate documentation; and
 - g. subjecting Patient D to an increased risk of morbidity and mortality due to the potential for a significant harmful effect from, or adverse reaction to, the prescribed testosterone, HCG, and HGH.

- H. Specifically with respect to Patient E, on June 15, 2000, the Respondent provided medical care in the form of reviewing a set of records and issuing prescriptions to Inter-Global Pharmacy and World Pharmacy, Inc. The Respondent's care of Patient E did not meet acceptable standards of medical care in that:
 - 1. The Respondent prescribed testosterone, HCG, HGH, syringes, and needles to Patient E,
 - a. without having an adequate history available;
 - b. without performing a physical examination;
 - c. without ordering further examination or evaluation;
 - d. without formulating a justifiable diagnosis;
 - e. without ordering follow-up care;
 - f. without preparing adequate documentation; and
 - g. subjecting Patient E to an increased risk of morbidity and mortality due to the potential for a significant harmful effect from, or adverse reaction to, the prescribed testosterone, HCG, and HGH.

- I. Specifically with respect to Patient F, on June 16, 2000, the Respondent provided medical care in the form of reviewing a set of records and issuing prescriptions to Inter-Global Pharmacy and World Pharmacy, Inc. The

Respondent's care of Patient F did not meet acceptable standards of medical care in that:

1. The Respondent prescribed testosterone, HCG, HGH, syringes, and needles to Patient F,
 - a. without having an adequate history available;
 - b. without performing a physical examination;
 - c. without ordering further examination or evaluation;
 - d. without formulating a justifiable diagnosis;
 - e. without ordering follow-up care;
 - f. without preparing adequate documentation; and
 - g. subjecting Patient F to an increased risk of morbidity and mortality due to the potential for a significant harmful effect from, or adverse reaction to, the prescribed testosterone, HCG, and HGH.

J. Specifically with respect to Patient G, on May 25, 2000, the Respondent provided medical care in the form of reviewing a set of records and issuing prescriptions to Inter-Global Pharmacy and World Pharmacy, Inc. The Respondent's care of Patient G did not meet acceptable standards of medical care in that:

 - d. without formulating a justifiable diagnosis;
 - e. without ordering follow-up care;

- f. without preparing adequate documentation; and
- g. subjecting Patient G to an increased risk of morbidity and mortality due to the potential for a significant harmful effect from, or adverse reaction to, the prescribed testosterone and HCG.

K. Specifically with respect to Patient H, on May 22, 2000, the Respondent provided medical care in the form of reviewing a set of records and issuing prescriptions to Inter-Global Pharmacy and World Pharmacy, Inc. The Respondent's care of Patient H did not meet acceptable standards of medical care in that:

- 1. The Respondent prescribed testosterone, HCG, HGH, syringes, and needles to Patient H,
 - a. without having an adequate history available;
 - b. without performing a physical examination;
 - c. without ordering further examination or evaluation;
 - d. without formulating a justifiable diagnosis;
 - e. without ordering follow-up care;
 - f. without preparing adequate documentation; and
 - g. subjecting Patient H to an increased risk of morbidity and mortality due to the potential for a significant harmful effect from, or adverse reaction to, the prescribed testosterone, HCG, and HGH.

L. Specifically with respect to Patient I, on May 24, 2000, the Respondent provided medical care in the form of reviewing a set of records and issuing prescriptions to Inter-Global Pharmacy and World Pharmacy, Inc. The Respondent's care of Patient I did not meet acceptable standards of medical

care in that:

1. The Respondent prescribed testosterone, HCG, syringes, and needles to Patient I,
 - a. without having an adequate history available;
 - b. without performing a physical examination;
 - c. without ordering further examination or evaluation;
 - d. without formulating a justifiable diagnosis;
 - e. without ordering follow-up care;
 - f. without preparing adequate documentation; and
 - g. subjecting Patient I to an increased risk of morbidity and mortality due to the potential for a significant harmful effect from, or adverse reaction to, the prescribed testosterone and HCG.

M. Specifically with respect to Patient J, on May 26, 2000, the Respondent provided medical care in the form of reviewing a set of records and issuing prescriptions to Inter-Global Pharmacy and World Pharmacy, Inc. The Respondent's care of Patient J did not meet acceptable standards of medical care in that:

1. The Respondent prescribed testosterone, HCG, HGH, syringes, and needles to Patient J,
 - a. without having an adequate history available;
 - b. without performing a physical examination;
 - c. without ordering further examination or evaluation;
 - d. without formulating a justifiable diagnosis;
 - e. without ordering follow-up care;
 - f. without preparing adequate documentation; and
 - g. subjecting Patient J to an increased risk of morbidity and

mortality due to the potential for a significant harmful effect from, or adverse reaction to, the prescribed testosterone, HCG, and HGH.

- N. Specifically with respect to Patient K, on May 31, 2000 and June 1, 2000, the Respondent provided medical care in the form of reviewing a set of records and issuing prescriptions to Inter-Global Pharmacy and World Pharmacy, Inc.
