STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

**IN THE MATTER
OF
BRIAN JAMES SHAW, M.D.**

**SURRENDER
of
LICENSE**

Brian James Shaw, M.D., representing that all of the following statements are true, deposes and says:

That on or about July 2, 1996, I was licensed to practice as a physician in the State of New York, and issued License No. 203545 by the New York State Education Department.

My current address is 612 Westover Road, Stamford, Connecticut 06902, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with eight specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Surrender of License.

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license as a physician in the State of New York on the grounds that I admit guilt to the first specification, moral unfitness to practice, and the third specification, willfully harassing, abusing or intimidating a patient, in full satisfaction of the charges against me.

I ask the Board to accept the Surrender of my License.

I understand that if the Board does not accept this Surrender, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this

application shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board accepts the Surrender of my License, the Chair of the Board shall issue a Surrender Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Surrender Order by first class mail to me at the address in this Surrender of License, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted.

I ask the Board to accept this Surrender of License of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Surrender of License, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Surrender Order for which I apply, whether administratively or judicially, and I agree to be bound by the Surrender Order.
