APPLICATION TO  
MODIFY CONSENT ORDER  
BMPC No. #05-220

OCTAVIO J. CALVILLO, M.D., (Respondent) deposes and says:

That on or about July 23, 1994, I was licensed to practice as a physician in the State of New York, having been issued License No. 196620 by the New York State Education Department.

My current address is 4123 University Blvd., Houston, TX 77005.

I am currently subject to CONSENT ORDER BMPC No. #05-220, dated October 13, 2005, annexed hereto, made a part hereof, and marked as Exhibit I (hereinafter "Original Order"), that was issued upon a Consent Agreement and Order signed by me on October 3, 2005, (hereinafter "October 3, 2005, Agreement"), adopted by the Original Order.

I apply, hereby, to the State Board for Professional Medical Conduct for a Modification Order (hereinafter "Modification Order"), modifying the Original Order, as follows: to delete the language in the Original Order that states:

- " Three (3) years term and conditions to run concurrent with and coterminous with the three (3) years terms and conditions imposed by the June 3, 2005, Texas State Board of Medical Examiners, Agreed Order."
- " Respondent shall comply fully with the June 3, 2005, Agreed Order of the Texas Board and any extension or modification thereof."
- " Respondent shall provide a written authorization for the Texas Board to provide to the Director of OPMC with any/all information or documentation as requested by OPMC to enable OPMC to determine whether Respondent is in compliance with the Texas Board Order."

“ Respondent shall submit semi-annually a signed Compliance Declaration to the Director of OPMC, which truthfully attests whether Respondent has been in compliance with the Texas Order during the declaration period specified.”

“ Should Respondent return to the practice of medicine in New York state or in any other jurisdiction where that practice is predicated on his New York state medical license to practice prior to his license being fully restored by the State of Texas, he shall provide ninety (90) days notice in writing, to the Director, OPMC. The Director in his sole discretion, may impose whatever limitations, or further conditions, he deems reasonable.”

“ That except during periods of actual suspension, Respondent shall maintain current registration of Respondent’s license with the New York State Education Department Division of Professional Licensing Services, and pay all registration fees. This condition shall be in effect beginning thirty days after the effective date of the Consent Order and will continue while the licensee possesses his/her license; and”

substituting therefore:

“I shall never activate my registration to practice medicine in New York state or seek to reapply for a license to practice medicine in New York state.”

The Modification Order to be issued will not constitute a new disciplinary action against me, but will substitute the proposed language for the above described language in the Original Order.

I am making this Application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner, and seek the anticipated benefit of the requested Modification. In consideration of the value to me of the acceptance by the Board of this Application, I knowingly waive any right I may have to contest the Original Order or the Modification Order for which I apply, whether administratively or judicially, and ask that the Board grant this Application.
