CONSENT

AGREEMENT

AND ORDER

PRASHANT PRAMOD PARIKH, M.B.B.S., PRASHANT PRAMOD PARIKH, M.D.,
(Respondent) representing that all of the following statements are true, deposes and says:

That on or about December 22, 1998, I was licensed to practice as a physician in the State of New York, and issued License No. 212792 by the New York State Education Department.

My current address is 112 Veronica Lane, Lansdale, PA 19446, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct has charged me with four (4) specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I do not contest Factual Allegations A, B, C(3), and D as well as the Third Specification, in full satisfaction of the charges against me, and agree to the following penalty:

One (1) year suspension of my New York State medical license, stayed, to run concurrent and coterminous with the one (1) year license suspension set forth in the North Carolina Medical Board, Consent Order, dated May 9, 2005.

Respondent shall comply fully with the May 9, 2005, Consent Order of the North Carolina Board and any extension or modification thereof.

Respondent shall provide a written authorization for the North Carolina Board to provide the Director of OPMC with any/all information or documentation as requested by OPMC to enable OPMC to determine whether Respondent is in compliance with the North Carolina Order.

Respondent shall submit semi-annually a signed Compliance Declaration to the Director of OPMC, which truthfully attests whether Respondent has been in compliance with the North Carolina Order during the declaration period specified.

As Respondent is not currently actively practicing medicine in the State of New York, should Respondent seek to commence the practice of medicine in the State of New York, he shall be required to appear before the State Board for Professional Medical Conduct, or a Committee, thereof, to demonstrate his fitness to practice.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall maintain active registration of Respondent's license with the New York State Education, Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) days after the Consent Order's effective date and will continue so long as Respondent Remains licensed in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of all matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent Remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in the future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Order, this agreement, and all attached Exhibits shall be public documents, with only patients identities, if any, redacted.

I stipulate that the proposed sanction and Order are authorized by Public Health Law Sections 230 and 230-a and that the Board for Professional Medical Conduct and the Office of Professional Medical Conduct have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.
