IN THE MATTER
OF
JAYANT S. DAMLE, M.D.

APPLICATION TO
MODIFY CONSENT
ORDER BPMC No. #06-02

JAYANT S. DAMLE, M.D., (Respondent) deposes and says:

That on or about May 5, 1978, I was licensed to practice as a physician in the State of New York, having been issued License No. 134257 by the New York State Education Department.

My current address is 3802 15th Avenue S. Grand Forks, ND 58201.

I am currently subject to CONSENT ORDER BPMC No. #06-02, dated December 30, 2005, annexed hereto, made a part hereof, and marked as Exhibit I (hereinafter "Original Order"), that was issued upon a Consent Agreement and Order signed by me on December 27, 2005, (hereinafter "December 27, 2005, Agreement"), adopted by the Original Order.

I apply, hereby, to the State Board for Professional Medical Conduct for a Modification Order (hereinafter "Modification Order"), modifying the Original Order, as follows: to delete the language in the Original Order that states:

" Three (3) years probation tolled, in accordance with Exhibit B, attached, hereto."

" Respondent shall comply fully with the November 19, 2004, Order of the North Dakota Board and any extension or modification thereof."

" Respondent shall provide a written authorization for the North Dakota Board to provide to the Director of OPMC with any/all information or documentation as requested by OPMC to enable OPMC to determine whether Respondent is in compliance with the North Dakota Board Order."

“ Respondent shall submit semi-annually a signed Compliance Declaration to the Director of OPMC, which truthfully attests whether Respondent has been in compliance with the North Dakota Order during the declaration period specified.”

“ Should I return to the practice of medicine in New York state or in any other jurisdiction where that practice is predicated on my New York state medical license to practice prior to my license being fully restored by the State of North Dakota, I shall provide ninety (90) days notice in writing, to the Director, OPMC. The Director in his sole discretion, may impose whatever limitations, or further conditions, he deems reasonable.”

“ That Respondent shall maintain active registration of Respondent’s license with the New York State Education, Department of Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) day after the Consent Order’s effective date and will continue so long as Respondent remains licensed in New York State; and

“ I further agree that the Consent Order shall impose the following conditions:
That Respondent shall cooperate fully in with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigation of all matters regarding Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent’s compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent’s control, as directed. This condition shall take effect upon the Board’s issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.”

substituting therefore:

“I shall never activate my registration to practice medicine in New York state or seek to reapply for a license to practice medicine in New York state.”

The Modification Order to be issued will not constitute a new disciplinary action against me, but will substitute the proposed language for the above described language in the Original Order.

I am making this Application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner, and seek the anticipated benefit of the requested Modification. In consideration of the value to me of the acceptance by the Board of this Application, I knowingly waive any right I may have to contest the Original Order or the Modification Order for which I apply, whether administratively or judicially, and ask that the Board grant this Application.
