**APPLICATION FOR
AND AGREEMENT
TO
NOT PRACTICE
MEDICINE/
ORDER OF THE
BOARD**

JUDE THADDEUS BARBERA, M.D., being duly sworn, deposes and says:

That on or about February 20, 1988, I was licensed to practice as a physician in the State of New York, having been issued License No. 173570 by the New York State Education Department.

My current address is 115 E 67th Street, 3D, New York, NY 10021, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address, thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct is investigating certain aspects of my medical practice to determine if I may have engaged in professional misconduct.

I hereby agree to the following :

I will not engage in the practice of medicine in the State of New York or in any other jurisdiction where that practice of medicine is predicated on my license to practice medicine in the State of New York, pending the final disposition of the currently open Department of Health, Office of Professional Medical Conduct investigation. I further agree to abide by such final disposition, without waiving, hereby, any rights to appeal to which I might otherwise be entitled.

For the purpose of this agreement, "final disposition" shall mean the later of any disposition by administrative closure, by a Consent Agreement, by a Surrender Order, or by a determination of a Hearing Committee of the State Board for Professional Medical Conduct or a determination of the Administrative Review Board of the State Board for Professional Medical Conduct.

I stipulate, hereby, that any failure by me to comply with the above condition imposed by this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

Further, I acknowledge, hereby, that any activity by me that constitutes the practice of medicine in New York state or any other jurisdiction where that practice of medicine is predicated upon my license to practice medicine in the State of New York at any time after the effective date of this Order and during the pendency of this Order, shall constitute the unauthorized practice of medicine within the meaning of New York Education Law §6512, defining a Class E felony.

I presently maintain no hospital privileges. I agree to neither exercise nor seek privileges or employment as a physician during the pendency of this agreement in New York state or any other jurisdiction where that practice of medicine is predicated upon my license to practice medicine in the State of New York.

I understand that unless and until I am allowed to resume the practice of medicine under the terms of this agreement, my licensure status is "inactive" and I am not authorized to practice medicine in the state of New York or any other jurisdiction where that practice of medicine is predicated on my license to practice medicine in the State of New York. I understand, further, that any practice of medicine in New York state or any other jurisdiction where that practice of

medicine is predicated upon my license to practice medicine in the State of New York while my license is "inactive" shall constitute a violation of New York Education Law Section 6530(12), regardless of the location of such practice. Finally, I agree that this agreement may be made public in the same manner as a Determination of a Hearing Committee that imposes discipline on a physician, including notice to the National Practitioners' Data Bank.

I understand that unless and until I am allowed to resume the practice of medicine under the terms of this Agreement, I shall notify all persons who request my medical services that I have ceased the active practice of medicine in New York state or any other jurisdiction where that practice of medicine is predicated upon my license to practice medicine in the State of New York.

I understand that the Department of Health, Office of Professional Medical Conduct shall notify each hospital or facility at which I presently hold privileges, or at which I obtain privileges during the pendency of this agreement, that I have ceased the active practice of medicine in New York state or any other jurisdiction where that practice of medicine is predicated upon my license to practice medicine in the State of New York, and that my licensure status during the pendency of the agreement is inactive.

I, hereby, make this Application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.

I understand that, in the event that this Application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such Application shall not be used against me in any way and shall be kept in strict confidence during the pendency of any professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that in the event the Board grants my Application, as set forth herein, an Order of the Chairperson of the Board shall be issued in accordance with same. I agree that such Order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the Order to my attorney or upon transmission via facsimile to my attorney, whichever is earliest.

I am making this Application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the value to me of the acceptance by the Board of this Application, I knowingly waive any right I may have to contest the Order for which I, hereby, apply, whether administratively or judicially, and ask that the Application be granted.
