APPLICATION TO

MODIFY CONSENT ORDER

BMPC No. 06-110

SCOTT WEISS, M.D., (Respondent) deposes and says:

That on or about August 8, 1989, I was licensed to practice as a physician in the State of New York, having been issued License No. 179404 by the New York State Education Department.

My current address is 6506 North Ventana Canyon Drive, Tucson, AZ 85750.

I am currently subject to CONSENT ORDER BMPC No. 06-110, dated May 9, 2006, annexed hereto, made a part hereof, and marked as Exhibit I (hereinafter "Original Order"), that was issued upon a Consent Agreement and Order signed by me on May 3, 2006, (hereinafter "May 3, 2006, Agreement"), adopted by the Original Order.

I apply, hereby, to the State Board for Professional Medical Conduct for a Modification Order (hereinafter "Modification Order"), modifying the Original Order, as follows: to delete the language in the Original Order that states:

" That Respondent shall maintain active registration of Respondent's license with the New York State Education Department, Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) days after the Consent Order's effective date and will continue so long as Respondent remains licensed in New York State; and"

substituting therefore:

"I shall never activate my registration to practice medicine in New York state or seek to reapply for a license to practice medicine in New York state."

The Modification Order to be issued will not constitute a new disciplinary action against me, but will substitute the proposed language for the above described language in the Original Order.

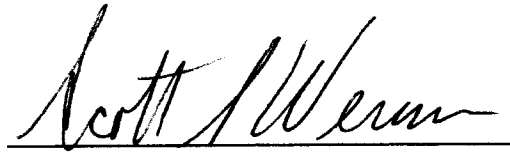

I make this Application of my own free will and accord and not under duress, compulsion or restraint, and seek the anticipated benefit of the requested Modification. In consideration of the value to me of the acceptance by the Board of this Application, I knowingly waive my right to contest the Original Order or the Modification Order for which I apply, whether administratively or judicially, and ask that the Board grant this Application.

I understand and agree that the attorney for the Department, the Director of the Office of Professional Medical Conduct, and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed Agreement and Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

CONSENT
AGREEMENT
AND ORDER

SCOTT WEISS, M.D., (Respondent) representing that all of the following statements are true, deposes and says:

That on or about August 8, 1989, I was licensed to practice as a physician in the State of New York, and issued License No. 179404 by the New York State Education Department.

My current address is 6506 North Ventana Canyon Drive, Tucson, AZ 85750, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct has charged me with two (2) Specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I do not contest Factual Allegations A and B(3) and the Second Specification, in full satisfaction of the charges against me, and agree to the following penalty:

Censure and Reprimand.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall maintain active registration of Respondent's license with the New York State Education, Department Division of Professional Licensing Services (except during periods of actual suspension), and shall pay all registration fees. This condition shall take effect thirty (30) days after the Consent Order's effective date and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of all matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that if I am charged with professional misconduct in the future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile transmission to me or my attorney, whichever is first. The Order, this agreement, and all attached Exhibits shall be public documents, with only patients identities, if any, redacted.

I stipulate that the proposed sanction and Order are authorized by Public Health Law Sections 230 and 230-a and that the Board for Professional Medical Conduct and the Office of Professional Medical Conduct have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.
