CONSENT

AGREEMENT

AND ORDER

ZEV FAINSILBER, M.D., representing that all of the following statements are true,
deposes and says:

That on or about July 26, 1988, I was licensed to practice as a physician in the State of New York, and issued License No. 175442, by the New York State Education Department.

My current address is 15029 N. Thompson Peak Pkwy., Suite B-111-523, Scottsdale, AZ 85260, and I will advise the Director of the Office of Professional Medical Conduct of any change of my address thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with two (2) Specifications of professional misconduct, based solely upon the Arizona Medical Board, October 11, 2007, Consent Agreement for Letter of Reprimand and Dismissal of Judicial Review.

A copy of the Amended Statement of Charges, marked as Exhibit "A," is attached to and part of this Consent Agreement.

I do not contest Factual Allegations A and B(1) and the Second Specification, in full satisfaction of the charges against me, and agree to the following penalty:

Censure and Reprimand;

Respondent shall comply fully with the October 12, 2006, Findings of Fact, Conclusions of Law and Order of the Arizona Medical Board and any extension or modification thereof.

Respondent shall provide a written authorization for the Arizona Medical Board to provide the Director of OPMC with any/all information or documentation as requested by OPMC to enable OPMC to determine whether Respondent is in compliance with the Arizona Order.

Respondent shall submit semi-annually a signed Compliance Declaration to the Director of OPMC, which truthfully attests whether Respondent has been in compliance with the Arizona Order during the declaration period specified.

My license is permanently restricted in that I shall examine female patients only in the presence of a chaperone. The chaperone shall be a female licensed or registered health care professional or other health care worker, shall not be a family member, personal friend, or in a professional relationship with Respondent which could pose a conflict with the chaperone's responsibilities. The chaperone shall be proposed by Respondent and subject to the written approval of the Director of OPMC.

Should Respondent return to the practice of medicine in New York State or in any other jurisdiction where that practice is predicated upon Respondent's New York State medical license to practice medicine prior to the successful completion of the conditions imposed by the State of Arizona, Respondent shall provide sixty (60) days notice in writing, to the Director, OPMC. The Director in his sole discretion, may impose whatever limitations, or further conditions, he deems appropriate.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of New York Education Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in New York Education Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by New York Education Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to New York Public Health Law.

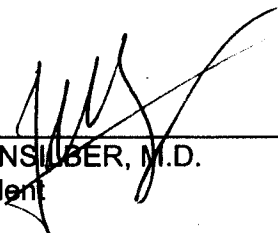

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I stipulate that the proposed sanction and Consent Order are authorized by New York Public Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
