DETERMINATION

AND

ORDER

BPMC #08-36

A hearing was held on February 21, 2008, at the offices of the New York State Department of Health ("the Petitioner"). The hearing process was initiated by means of a Notice of Referral Proceeding and a Statement of Charges, both dated January 8, 2008, regarding the Respondent, **Firooz Sadeghi, M.D.** Pursuant to Section 230(10)(e) of the Public Health Law, **Walter P. Gilsdorf, M.D.**, Chairperson, **Jinil Yoo, M.D.**, and **Mr. Robert M. Briber**, duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. **John Wiley, Esq.**, Administrative Law Judge, served as the Administrative Officer.

The Petitioner appeared by **Thomas Conway, Esq.**, General Counsel, by **Robert Bogan, Esq.**, of counsel. The Respondent did not appear at the hearing either in person or by counsel.

Evidence was received and transcripts of these proceedings were made.

After consideration of the entire record, the Hearing Committee issues this Determination and Order.

BACKGROUND

This case was brought pursuant to Public Health Law Section 230(10)(p). The statute provides for an expedited hearing when a licensee is charged solely with a

violation of Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In the instant case, the Respondent is charged with professional misconduct pursuant to Education Law Section 6530(9)(b) and (d). Copies of the Notice of Referral Proceeding and the Statement of Charges are attached to this Determination and Order as Appendix 1.

WITNESSES

For the Petitioner: None

For the Respondent: None

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex." These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. All Hearing Committee findings were unanimous.

1. Firooz Sadeghi, M.D., the Respondent, was authorized to practice medicine in New York State on October 8, 1976, by the issuance of license number 129005 by the New York State Education Department (Petitioner's Ex. 4).

2. On October 1, 2004, the Division of Medical Quality, Medical Board of California, Department of Consumer Affairs ("California Board"), by a Decision ("California Decision"), revoked the Respondent's license to practice medicine, revoked his approval to supervise physician's assistants, and imposed a \$1,000.00 civil penalty, based on

billing insurers or allowing his agents to bill insurers for medical services he did not render, aiding and abetting the unlicensed practice of medicine, practicing medicine while his license was suspended, gross negligence, gross incompetence, and repeated negligent acts. (Petitioner's Ex. 5).

HEARING COMMITTEE CONCLUSIONS

The Hearing Committee concludes that the conduct of the Respondent would constitute professional misconduct under the laws of New York State, had the conduct occurred in New York State, pursuant to:

- New York Education Law Section 6530(2) - "Practicing the profession fraudulently or beyond its authorized scope;"
- New York Education Law Section 6530(3) - "Practicing the profession with negligence on more than one occasion;"
- New York Education Law Section 6530(4) - "Practicing the profession with gross negligence on a particular occasion;"
- New York Education Law Section 6530(5) - "Practicing the profession with incompetence on more than one occasion;"
- New York Education Law Section 6530(6) - "Practicing the profession with gross incompetence;"
- New York Education Law Section 6530(20) - "Conduct in the practice of medicine which evidences moral unfitness to practice medicine;"
- New York Education Law Section 6530(21) - "Willfully making or filing a false report, or failing to file a report required by law or by the department of health or the education department, or willfully impeding or obstructing such filing, or inducing another person to do so;" and

- New York Education Law Section 6530(29) - "Violating any term of probation or condition or limitation imposed on the licensee..."

VOTE OF THE HEARING COMMITTEE

FIRST SPECIFICATION

"Respondent violated New York Education Law Section 6530(9)(b) by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

VOTE: Sustained (3-0)

SECOND SPECIFICATION

"Respondent violated New York Education Law Section 6530(9)(d) by having his license to practice medicine revoked and/or having other disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation and/or other disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state..."

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

The Respondent did not appear at the hearing either in person or by counsel. The Administrative Law Judge ruled that the Petitioner had met the requirements of law regarding service of the Notice of Referral Proceeding and the Statement of Charges (Petitioner's Ex. 1) and that, therefore, the hearing could proceed on the merits despite the absence of the Respondent.

The California Board found the Respondent guilty of a wide range of serious misconduct. The California Order holds that the Respondent was hired by a clinic and

"was paid \$4,000.00 per month by the [clinic owner] to be at the clinic and to say, if asked, 'I am [the] doctor.' Respondent was told that he did not have to see patients and in fact did not see patients." (Petitioner's Ex. 5). The clinic, with the Respondent's authorization, nonetheless billed insurers for medical services falsely attributed to the Respondent. The California Decision found 116 instances of fraudulent billing. The Respondent also "removed his penis from his trousers and masturbated in full public view on the upper level parking facility" of a department store (Petitioner's Ex. 5). The California Board also found numerous examples of substandard medical care. The Respondent repeatedly failed to obtain an adequate medical history, performed incomplete physical exams and failed to inform patients of abnormal exam findings or abnormal laboratory test results. He repeatedly failed to provide treatment or further testing when serious conditions were either disclosed or suggested during patient visits to his office or by laboratory test results. For instance, when venous flow studies disclosed the possibility of deep venous thrombosis, the Respondent did not follow up on this information in any way.

Because the Respondent did not appear at the hearing, the hearing record contains no evidence from him. There is no evidence of mitigating circumstances, rehabilitation, remorse or any other factor that could be helpful to the Respondent's case. The Petitioner recommended that the Respondent's license be revoked. Given the seriousness of the Respondent's professional misconduct and the large number of acts of professional misconduct, the Hearing Committee concludes that no penalty short of revocation is sufficient to protect the public.

ORDER

IT IS HEREBY ORDERED THAT:

1. The Respondent's license to practice medicine in New York State is revoked.

2. This Order shall be effective upon service on the Respondent in accordance with the requirements of Public Health Law Section 230(10)(h).

Where the charges are based on the conviction of state law crimes in other jurisdictions, evidence may be offered which would show that the conviction would not be a crime in New York State. The Committee also may limit the number of witnesses whose testimony will be received, as well as the length of time any witness will be permitted to testify.

If you intend to present sworn testimony, the number of witnesses and an estimate of the time necessary for their direct examination must be submitted to the New York State Department of Health, Division of Legal Affairs, Bureau of Adjudication, Hedley Park Place, 433 River Street, Fifth Floor South, Troy, NY 12180, ATTENTION: HON. You may file a written brief and affidavits with the Committee. Six copies of all papers you submit must be filed with the Bureau of Adjudication at the address indicated above, no later than fourteen days prior to the scheduled date of the Referral Proceeding, and a copy of all papers must be served on the same date on the Department of Health attorney indicated below. Pursuant to §301(5) of the State Administrative Procedure Act, the Department, upon reasonable notice, will provide at no charge a qualified interpreter of the deaf to interpret the proceedings to, and the testimony of, any deaf person. Pursuant to the terms of New York State Administrative Procedure Act §401 and 10 N.Y.C.R.R. §51.8(b), the Petitioner hereby demands disclosure of the evidence that the Respondent intends to introduce at the hearing, including the names of witnesses, a list of and copies of documentary evidence and a description of physical or other evidence which cannot be photocopied.

The proceeding may be held whether or not you appear. Please note that requests for adjournments must be made in writing to the Bureau of Adjudication, at the address indicated above, with a copy of the request to the attorney for the Department of Health, whose name appears below, at least five days prior to the scheduled date of the proceeding. Adjournment requests are not routinely granted. Claims of court engagement will require detailed affidavits of actual engagement. Claims of illness will require medical documentation. Failure to obtain an attorney within a reasonable period of time prior to the proceeding will not be grounds for an adjournment.

The Committee will make a written report of its findings, conclusions as to guilt, and a determination. Such determination may be reviewed by the administrative review board for professional medical conduct.

SINCE THESE PROCEEDINGS MAY RESULT IN A DETERMINATION THAT SUSPENDS OR REVOKES YOUR LICENSE TO PRACTICE MEDICINE IN NEW YORK STATE AND/OR IMPOSES A FINE FOR EACH OFFENSE CHARGED, YOU ARE URGED TO OBTAIN AN ATTORNEY TO REPRESENT YOU IN THIS MATTER.
