STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

**IN THE MATTER
OF
CHARLES J. DEMARCO, M.D.**

CONSENT
AGREEMENT
AND
ORDER

CHARLES J. DEMARCO, M.D., representing that all of the following statements are true, deposes and says:

That on or about March 17, 1989, I was licensed to practice as a physician in the State of New York, and issued License No. 177726 by the New York State Education Department.

My current address is: Redacted Address, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with two specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I plead guilty to the first specification, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to N.Y. Pub. Health Law § 230-a(3), my license to practice medicine in New York State shall be limited to preclude the performance and interpretation of breast imaging studies including but not limited to: mammography, ultrasound, magnetic resonance images and digital mammography. This limitation shall remain in

effect until and unless modified, as set forth in Exhibit 'C,' attached.

Pursuant to Pursuant to N.Y. Pub. Health Law § 230-a(9), I shall be placed on probation for a period of three years subject to the terms set forth in attached Exhibit "B," and for such additional period as may be imposed upon any modification of my license limitation, as set forth in Exhibit "C."

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall attest to compliance with the prescribed practice limitation by signing and submitting to the Director of OPMC a Practice Limitation Declaration, as may be periodically directed by the Director.

That Respondent shall cause the administrator(s) of all hospitals and other health care facilities or practices with which Respondent is affiliated to annually submit a letter to the Director of OPMC attesting to Respondent's compliance with the specified limitation at each location.

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of

fees. This condition shall take effect 30 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed.

Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of

alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter

into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

EXHIBIT "B"

Terms of Probation

1. Respondent's conduct shall conform to moral and professional standards of conduct and governing law. Any act of professional misconduct by Respondent as defined by N.Y. Educ. Law §§ 6530 or 6531 shall constitute a violation of probation and may subject Respondent to an action pursuant to N.Y. Pub. Health Law § 230(19).
2. Respondent shall maintain active registration of Respondent's license (except during periods of actual suspension) with the New York State Education Department Division of Professional Licensing Services, and shall pay all registration fees.
3. Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Hedley Park Place, 433 River Street Suite 303, Troy, New York 12180-2299 with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information.
4. Respondent shall cooperate fully with, and respond in a timely manner to, OPMC requests to provide written periodic verification of Respondent's compliance with the terms of this Consent Order. Upon the Director of OPMC's request, Respondent shall meet in person with the Director's designee.
5. Respondent's failure to pay any monetary penalty by the prescribed date shall subject Respondent to all provisions of law relating to debt collection by New York State, including but not limited to: the imposition of interest, late payment charges and collection fees; referral to the New York State Department of Taxation and Finance for collection; and non-renewal of permits or licenses [Tax Law § 171(27); State Finance Law § 18; CPLR § 5001; Executive Law § 32].
6. The probation period shall toll when Respondent is not engaged in active medical practice in New York State for a period of 30 consecutive days or more. Respondent shall notify the Director of OPMC, in writing, if Respondent is not currently engaged in, or intends to leave, active medical practice in New York State for a consecutive 30 day period. Respondent shall then notify the Director again at least 14 days before returning to active practice. Upon Respondent's return to active practice in New York State, the probation period shall resume and Respondent shall fulfill any unfulfilled probation terms and such additional requirements as the Director may impose as reasonably relate to the matters set forth in Exhibit "A" or as are necessary to protect the public health.

7. The Director of OPMC may review Respondent's professional performance. This review may include but shall not be limited to: a review of office records, patient records, hospital charts, and/or electronic records; and interviews with or periodic visits with Respondent and staff at practice locations or OPMC offices.
8. Respondent shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients and contain all information required by State rules and regulations concerning controlled substances.

PRACTICE MONITOR

9. Within thirty days of the effective date of the order, Respondent shall practice medicine only when monitored by a licensed physician, board certified in an appropriate specialty, ("practice monitor") proposed by Respondent and subject to the written approval of the Director of OPMC.
 - a. Respondent shall make available to the monitor any and all records or access to the practice requested by the monitor, including on-site observation. The practice monitor shall visit Respondent's medical practice at each and every location, on a random unannounced basis at least monthly and shall examine a selection (no fewer than 20) of records maintained by Respondent, including patient records, prescribing information and office records. The review will determine whether the Respondent's medical practice is conducted in accordance with the generally accepted standards of professional medical care. Any perceived deviation of accepted standards of medical care or refusal to cooperate with the monitor shall be reported within 24 hours to OPMC.
 - b. Respondent shall be solely responsible for all expenses associated with monitoring, including fees, if any, to the monitoring physician.
 - c. Respondent shall cause the practice monitor to report quarterly, in writing, to the Director of OPMC.
 - d. Respondent shall maintain medical malpractice insurance coverage with limits no less than \$2 million per occurrence and \$6 million per policy year, in accordance with Section 230(18)(b) of the Public Health Law. Proof of coverage shall be submitted to the Director of OPMC prior to Respondent's practice after the effective date of this Order.
10. Respondent shall enroll in and complete a continuing education program in an area specified by the Director of OPMC. This continuing education program is subject to the Director's prior written approval and shall be completed within the first year of the probation period.
11. Respondent shall comply with this Consent Order and all its terms, and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with, or a violation of, these terms, the Director of OPMC and/or the Board may initiate a violation of probation proceeding, and/or any other such proceeding authorized by law, against Respondent.

Exhibit "C"

Upon compliance with all the conditions of this Consent Order, no sooner than 12 months after the effective date of this Consent Order and no later than 3 years after the effective date of this Consent Order, Respondent may petition the Director of the Office of Professional Medical Conduct for a Modification of the license limitation imposed, to allow Respondent to resume performance of and interpretation of breast imaging studies including but not limited to: mammography, ultrasound, magnetic resonance images and digital mammography, subject to the terms and condition set forth below.

Respondent, prior to making such petition shall satisfactorily complete a course of continuing medical education as prescribed by the American College of Radiology for the reestablishment of physician credentials in breast imaging which course has been approved in advance and in writing by the Director of OPMC, and provides proof of such completion, satisfactory to the Director. The Director may, in the reasonable exercise of his discretion, terminate the practice limitation and modify the probation as imposed by the Consent Order. The Director's reasonable exercise of discretion shall not be subject to review by the Administrative Review Board.

Termination of the license limitation shall extend the period of probation and shall impose additional terms of probation, specific to Respondent's resumption of breast imaging and interpretation, as follows:

Period of Probation

Upon Respondent's resumption of the practice of breast imaging and interpretation, the period of probation shall be extended until Respondent's practice of breast imaging and interpretation has been monitored for three years and until a minimum of 1,500 breast imaging studies have been read and reported by Respondent, subject to monitoring.

Additional terms of probation

In addition to all terms set forth in Exhibit "B," which terms shall continue for as long as the period of probation runs, Respondent's resumption of the performance of breast imaging and interpretation practice will be additionally monitored as follows:

12. Respondent shall practice in the area of breast imaging and interpretation only when monitored by a licensed physician, board certified in an appropriate specialty, ("BI&I monitor") proposed by Respondent and subject to the written approval of the Director of OPMC.
 - a. Respondent shall make available to the BI&I monitor any and all images, reports, records or access to the practice requested by the monitor, including on-site observation. The breast imaging and interpretation monitor shall visit Respondent's medical practice at each and every location at which Respondent performs breast imaging and interpretation, on a random unannounced basis at least monthly. The breast imaging and interpretation monitor shall, as is more fully set forth in subparagraph (i)-(iii), below, examine a selection of images and reports maintained by Respondent. The review will determine whether the Respondent's practice with regard

to breast imaging and interpretation is conducted in accordance with the generally accepted standards of professional medical care. The monitor will monthly read:

- i. 100 % of the first 500 breast imaging studies;
 - ii. 50% of the next 500 breast imaging studies; and
 - iii. 25% of subsequent 500 breast imaging studies until the completion of the period of probation.
- b. Respondent shall be solely responsible for all expenses associated with BI&I monitoring, including fees, if any, to the monitoring physician.
 - c. Respondent shall cause the BI&I monitor to report quarterly, in writing, to the Director of OPMC.
 - d. Any perceived deviation of accepted standards of medical care or refusal to cooperate with the BI&I monitor shall be reported within 24 hours to OPMC.
