NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER
OF
PAOLO S. PASTORE, M.D.

CONSENT
AGREEMENT
AND
ORDER

Paolo S. Pastore, M.D., representing that all of the following statements are true, deposes and says:

That on or about November 20, 2002, I was licensed to practice as a physician in the State of New York, and issued License No. 226948 by the New York State Education Department.

My current address is Family Care Of Cicero, 6253 State Route 31, Cicero, New York, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with two specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I do not contest the first specification, in full satisfaction of the charges against me, and agree to the following penalty:

My license to practice medicine in New York State shall be suspended for a period of one (1) year, but that suspension shall be stayed so long as I comply with the Terms of Probation set forth in Exhibit "B" attached hereto, for a period of five years after the effective date of the Order herein.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the

requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

2. Respondent shall maintain active registration of Respondent's license (except during periods of actual suspension) with the New York State Education Department Division of Professional Licensing Services, and shall pay all registration fees.
3. Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Hedley Park Place, 433 River Street Suite 303, Troy, New York 12180-2299 with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information.
4. Respondent shall cooperate fully with, and respond in a timely manner to, OPMC requests to provide written periodic verification of Respondent's compliance with the terms of this Consent Order. Upon the Director of OPMC's request, Respondent shall meet in person with the Director's designee.
5. Respondent shall then notify the Director again at least 14 days before returning to active practice. Upon Respondent's return to active practice in New York State, the probation period shall resume and Respondent shall fulfill any unfulfilled probation terms and such additional requirements as the Director may impose as reasonably relate to the matters set forth in Exhibit "A" or as are necessary to protect the public health.

7. The Director of OPMC may review Respondent's professional performance. This review may include but shall not be limited to: a review of office records, patient records, hospital charts, and/or electronic records; and interviews with or periodic visits with Respondent and staff at practice locations or OPMC offices.
8. Respondent shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients and contain all information required by State rules and regulations concerning controlled substances.
9. Respondent shall remain drug and alcohol free.

11. Respondent shall notify all treating physicians of Respondent's history of substance abuse. Respondent shall advise OPMC of any controlled or mood-altering substance given or prescribed by treating physicians.
12. Respondent shall practice only when monitored by qualified health care professional monitors: a Sobriety Monitor, a Practice Supervisor and a Therapist. All monitors shall be proposed by Respondent and approved, in writing, by the Director of OPMC before Respondent may practice after the effective date of this Order. Within 7 days of learning the approved monitor is no longer willing or able to serve, Respondent shall submit the name of a proposed successor to the Director of OPMC. Monitors shall not be family members or personal friends or be in professional relationships that would pose a conflict with monitoring responsibilities. All monitors shall execute acknowledgment forms provided by OPMC certifying familiarity with Respondent's history of substance abuse, with this Order and its terms, and acknowledging a willingness to comply with the monitor's reporting responsibilities regarding Respondent's compliance with the terms of this Order.
 - a. Respondent shall ensure that the monitors are familiar with Respondent's history of substance abuse and with the terms of this Order. Respondent shall cause the monitors to report any deviation from compliance with the terms of this Order to OPMC. Respondent shall cause the monitors to submit required reports on a timely basis.
 - b. Respondent shall submit to random, unannounced observed blood, breath and/or urine screens for the presence of drugs and alcohol (hereafter "drug screen"), when requested by a monitor. The monitoring shall be on a random, unannounced, directly-observed, 7-day-a-week, 24-hour-a-day basis. Respondent shall report for a drug screen within 4 hours of being contacted by a monitor. Monitors shall report to OPMC immediately if Respondent refuses or delays a test or if a test is positive for alcohol, or any other unauthorized drug or substance. Respondent shall avoid all substances that may cause positive urine drug screens, such as poppy seeds, mouthwash or cough medicine. Any positive test result shall constitute a violation of the terms of this Order.
 - c. Respondent shall meet regularly with a Sobriety Monitor. During the first 12 months of monitoring, the Sobriety Monitor shall obtain drug screens at a frequency of no less than 6 times per month. If Respondent is compliant throughout the first 12-month period, subsequent drug screens shall be obtained at a frequency to be proposed by the Sobriety Monitor and approved by OPMC. The

Sobriety Monitor shall submit quarterly reports to OPMC certifying Respondent's sobriety or lack of sobriety. These reports are to include forensically valid results of all drug screens performed and an assessment of self-help group (e.g., AA/NA/Caduceus) attendance and 12-step progress.

- d. Respondent shall practice only when supervised in medical practice by a licensed physician (hereafter "Practice Supervisor"). The Practice Supervisor shall be on-site at all locations, unless determined otherwise by the Director of OPMC, and shall be in a position to regularly observe and assess Respondent's medical practice. The Practice Supervisor shall oversee Respondent's compliance with the terms of practice imposed by the Order and Respondent's prescribing, administering, dispensing, inventorying, wasting and disposal of controlled substances. The Practice Supervisor shall report to OPMC immediately any suspected impairment, inappropriate behavior, questionable medical practice, possible misconduct, or violation by Respondent of any of the terms of this Order. The Practice Supervisor shall submit quarterly reports to OPMC regarding the quality of Respondent's medical practice and prescribing practices, any unexplained absences from work, and certifying Respondent's compliance or detailing Respondent's failure to comply with each term imposed.
 - e. Respondent shall engage and continue in therapy with a treating health care professional (hereafter "Therapist"). Respondent shall cause the Therapist to submit a proposed treatment plan and quarterly reports to OPMC certifying whether Respondent is in compliance with the treatment plan. OPMC, at its discretion, may provide information or documentation from its investigative files concerning Respondent to Respondent's Therapist. The Therapist shall report to OPMC immediately if Respondent leaves treatment against medical advice or displays any symptoms of a suspected or actual relapse.

At the direction of the Director of OPMC, Respondent shall submit to evaluations by a board-certified psychiatrist, licensed mental health practitioner or other health care professional or program designated by the Director (hereafter "Evaluator.") Respondent shall provide the Evaluator with a copy of this Order and copies of all previous treatment records. OPMC, at its discretion, may provide information or documentation from its investigative files concerning Respondent to Respondent's Evaluator. The Evaluator shall report to the Director regarding Respondent's condition and fitness or incapacity to practice medicine. Respondent shall comply with all treatment recommendations based upon the evaluation; failure to comply with such treatment recommendations shall constitute professional misconduct.
 14. Respondent shall enroll, or continue enrollment, in the Committee for Physician Health (CPH) and shall engage in a contract with CPH that defines the terms, conditions and duration of Respondent's recovery program. Respondent shall comply with the contract. Respondent shall give written authorization for CPH to provide the Director of OPMC with all information or documentation requested by OPMC to determine whether Respondent is in compliance with the contract and with this Order, including full access to all records maintained by CPH will respect to Respondent.
 - a. Respondent shall cause CPH to report to OPMC promptly if Respondent refuses to comply with the contract, refuses to submit to

treatment or if Respondent's impairment is not substantially alleviated by treatment.

- b. Respondent shall cause CPH to report immediately to OPMC if Respondent is regarded at any time to be an imminent danger to the public.

- 15. Respondent shall comply with this Consent Order and all its terms, and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with, or a violation of, these terms, the Director of OPMC and/or the Board may initiate a violation of probation proceeding, and/or any other such proceeding authorized by law, against Respondent.
