TOO KEI CHOW, M.D., being duly sworn, deposes and says:

On or about September 16, 1974, I was licensed to practice as a physician in the State of New York having been issued License No. 121415 by the New York State Education Department.

I am not currently registered to practice as a physician in the State of New York. I was last registered to practice medicine during the period ending December 31, 1982.

I understand that I have been charged with one specification of professional misconduct as set forth in the Statement of Charges, annexed hereto, made a part hereof, and marked as Exhibit "A".

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license as a physician in the State of New York on the grounds that I do not contest the specification of professional misconduct set forth in the charges.

I hereby make this application to the State Board for Professional Medical Conduct and request that it be granted.

I understand that, in the event that the application is not granted by the State Board for Professional Medical Conduct, nothing contained herein shall be binding upon me or construed to be an admission of any act of misconduct alleged or charged against me, such application shall not be used against me in any way, and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the State Board for Professional Medical Conduct shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by a Committee on Professional Medical Conduct pursuant to the provisions of the Public Health Law.

I agree that in the event the State Board for Professional Medical Conduct grants my application, an order shall be issued striking my name from the roster of physicians in the State of New York without further notice to me.

I am making this Application of my own free will and accord and not under duress, compulsion, or restraint of any kind or manner.

IN THE MATTER : STATEMENT
OF : OF
TOO KEI CHOW, M.D. : CHARGES

-----X

TOO KEI CHOW, M.D., the Respondent, was authorized to practice medicine in New York State on September 16, 1974 by the issuance of license number 121415 by the New York State Education Department. The Respondent is not currently registered with the New York State Education Department to practice medicine and has not been registered to practice medicine in New York since December 31, 1982.

FIRST SPECIFICATION

1. Respondent is charged with professional misconduct within the meaning of New York Educ. Law Sec. 6530(9)(d) (McKinney Supp. 1992), in that she surrendered her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the surrender of the license would, if committed in New York State, constitute professional misconduct under the laws of New York State, specifically:

On April 20, 1989, Respondent surrendered her Florida medical license after a disciplinary action was instituted by the Florida Department of Professional Regulation Board of Medicine (Florida Board). In the Stipulation filed with the Florida Board, Respondent relinquished her Florida license and agreed never to reapply for licensure in the State of Florida in order to avoid further administrative action with respect to charges then pending against her, which she neither admitted nor denied, and which charged her with failing to keep written medical records justifying the course of treatment of a patient, in violation of Sec. 458.331(1)(m), Florida Statutes, and failing to practice medicine with that level of care, skill and treatment which is recognized by a reasonably prudent similar physician as being acceptable under similar conditions and circumstances, in violation of Sec. 458.331(1)(t), Florida Statutes. The conduct resulting in the surrender, if committed in New York State, would have constituted professional misconduct under New York Educ. Law Sec. 6530 (McKinney Supp. 1992).
