OF

AGREEMENT

ANAMIKA JAIN, M.D.

---

**ANAMIKA JAIN, M.D.**, representing that all of the following statements are true, deposes and says:

That on or about June 25, 2002, I was licensed to practice medicine in the State of New York, and issued license number 225278 by the New York State Education Department.

My current address is \_\_\_\_\_, and I will advise the Director (Director) of the Office of Professional Medical Conduct (OPMC) of any change of address thirty (30) days, thereof.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with two (2) Specifications of professional misconduct, based solely on the May 8, 2009, Board of Medical Examiners of the State of Nevada, Findings of Fact, Conclusions of Law and Order.

A copy of the Statement of Charges, marked as Exhibit A, is attached to and part of this Consent Agreement.

I do not contest Factual Allegations A and B(3) and the Second Specification, in full satisfaction of the charges against me, and agree to the following penalty:

Censure and Reprimand; and

Respondent shall pay a \$5,000.00 fine, to be paid within thirty (30) days of the effective date of the Consent Order to the NYS Department of Health, Bureau of Accounts Management, Revenue Unit, Empire State Plaza, Corning Tower, Room 1717, Albany, NY 12237-0016.

Should Respondent return to the practice of medicine in the State of New York or in any jurisdiction where that practice is predicated upon Respondent's New York State medical license, Respondent shall provide ninety (90) days notice in writing to the

Director, OPMC. The Director in his sole discretion, may impose whatever limitations, or further conditions, he deems appropriate.

I agree, further, that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of New York Education Law § 6502 including, but not limited to, the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in New York Education Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 30 days after the effective date of the Consent Order and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the OPMC in its administration and enforcement of the Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Agreement. Respondent shall meet with a person designated by the Director, OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of the Consent Order shall constitute misconduct as defined by New York Education Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and the Consent Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to New York Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that the Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, or upon facsimile or email transmission to me or my attorney, whichever is first. The Consent Order, this Consent Agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department of Health website.

I stipulate that the proposed sanction and Consent Order are authorized by New York Public Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, administratively and/or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director, OPMC, and the Chair of the Board each retain complete discretion either to enter into the proposed Consent Agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

STATEMENT  
OF  
CHARGES

ANAMIKA JAIN, M.D., Respondent, was authorized to practice medicine in New York state on June 25, 2002, by the issuance of license number 225278 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about May 8, 2009, the Board of Medical Examiners of the State of Nevada, (hereinafter "Nevada Board"), by a Findings of Fact, Conclusions of Law and Order (hereinafter "Nevada Order"), suspended Respondent's license to practice medicine for one (1) year commencing November 14, 2008 and terminating November 14, 2009, subsequent to the termination placed Respondent on three (3) years probation, subject to terms and conditions that include, inter alia, a public reprimand and \$14,370.45 costs, based on Respondent setting up a medical practice over which she exercised virtually no supervision or control; she left the day-to-day management to her husband and other employees and that her appearances at the practice were irregular; the only other physicians at the practice were the contracted ophthalmologists who came in mainly to perform surgeries and some other care but were at the medical practice on a very limited basis and thus, these physicians could not be deemed to be supervising the medical technicians at the practice; the end result of her decisions was a medical practice that operated primarily without the real and substantive supervision of a physician; thereby failing to provide adequate supervision to medical technicians that she allowed to assist in the care of patients.

B. The conduct resulting in the Nevada Board disciplinary action would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State law:

1. New York Education Law §6530(3) (negligence on more than one occasion);
2. New York Education Law §6530(25) (delegating professional responsibilities to a person when the licensee delegating such responsibilities knows or has reason to know that such person is not qualified, by training, by experience, or by licensure, to perform them); and/or
3. New York Education Law §6530(33) (failing to exercise appropriate supervision over persons who are authorized to practice only under the supervision of the licensee).

**SPECIFICATIONS**  
**FIRST SPECIFICATION**

Respondent violated New York Education Law §6530(9)(b) by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the findings was based would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

1. The facts in Paragraphs A and/or B.

**SECOND SPECIFICATION**

Respondent violated New York Education Law §6530(9)(d) by having her license to practice medicine suspended and/or having other disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the license suspension and/or other disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

2. The facts in Paragraphs A and/or B.
