**IN THE MATTER  
OF  
ROBERT JORDAN STRAUB, M.D.**

**CONSENT  
AGREEMENT  
AND  
ORDER**

ROBERT JORDAN STRAUB, M.D., represents that all of the following statements are true:

That on or about August 3, 1998, I was licensed to practice as a physician in the State of New York, and issued License No. 211492 by the New York State Education Department.

My current address is Redacted Address, and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct has charged me with two (2) specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I do not contest Factual Allegations A, B, and B(3), and the First Specification insofar as it pertains to paragraphs A, B, and B(3) only, of the Statement of Charges, in full satisfaction of the charges against me, and agree to the following penalty:

Immediately upon issuance of the Consent Order for which I apply, my license to practice medicine shall be limited, pursuant to N.Y. Pub. Health Law § 230-a, to preclude patient contact and any practice of medicine, clinical or otherwise in the State of New York or in any other jurisdiction where that practice is predicated on a valid New York State license to

practice medicine. I shall be precluded from diagnosing, treating, operating, or prescribing for any human disease, pain, injury, deformity, or physical condition. I shall be precluded from further reliance upon my license to practice medicine to exempt me from the licensure, certification or other requirements set forth in statute or regulation for the practice of any other profession licensed, regulated or certified by the Board of Regents, Department of Education, Department of Health or the Department of State.

I further agree that the Consent Order for which I apply shall impose the following conditions:

- That Respondent shall, within 30 days of the issuance of the Consent Order, notify the New York State Education Department, Division of Professional Licensing Services, that Respondent's license status is "inactive," and shall provide proof of such notification to the Director of OPMC immediately upon having done so; and
- That Respondent shall return any and all official New York State prescriptions to the Bureau of Narcotic Enforcement, and, in the event that Respondent holds a Drug Enforcement Administration (DEA) Certificate for New York State, Respondent shall surrender Respondent's Certificate to DEA within 15 days of the Order's effective date. All submissions to DEA shall be addressed to Diversion Program Manager, New York Field Division, U.S. Drug Enforcement Administration, 99 Tenth Avenue, New York, NY 10011. Further, within 30 days of returning these prescriptions and surrendering the Certificate, Respondent shall provide documentary proof of these transaction(s) to the Director of OPMC; and
- That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State; and
- That Respondent shall comply with all conditions set forth in attached Exhibit "B" ("Requirements for Closing a Medical Practice").

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined in N.Y. Educ. Law § 6530(29).

I agree that if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I stipulate that the proposed sanction and Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board for Professional Medical Conduct and the Office of Professional Medical Conduct have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

I am aware and agree that, regardless of prior communication, the attorney for the Department, the Director of the Office of Professional Medical Conduct, and the Chairperson of the State Board for Professional Medical Conduct each reserve full discretion to enter into the Consent Agreement that I propose in this application, or to decline to do so.

My license is currently on inactive status and has been since 2004, and I have not practiced medicine in New York since June 2003.

STATEMENT  
OF  
CHARGES

ROBERT JORDAN STRAUB, M.D., Respondent, was authorized to practice medicine in New York State on August 3, 1998, by the issuance of license number 211492 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about December 3, 2009, the Georgia Composite Medical Board (hereinafter "Georgia Board"), by a "Public Consent Order" (hereinafter "Georgia Order"), ordered that Respondent be placed on probation until terminated by the Georgia Board (terms included weekly psychotherapy, a physician supervisor and monitor, drug and alcohol screens, prohibition against prescribing for himself or family, a "mini-residency" on prescribing, and a prescription log), a \$10,000.00 fine, and a reprimand, based on Respondent having "used Adderall [a Schedule II controlled substance] on a daily basis for over three (3) years and used Percocet regularly for over two (2) years," which he obtained by prescribing both of these drugs "for his wife and son as his 'patients'" when "he prescribed the medication in actuality for his personal use."

B. The conduct resulting in the Georgia Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State law:

1. New York Education Law §6630(2) (practicing the profession fraudulently);
  2. New York Education Law §6530(8) (being dependent on or a habitual user of narcotics, barbiturates, amphetamines, hallucinogens, or other drugs having similar effects);
- and/or

3. New York Education Law §6530(16) (willful or grossly negligent failure to comply with substantial provisions of state laws, rules, or regulations governing the practice of medicine; namely, Public Health Law §§3332(1), 3331(2), and 10 NYCRR 910.2(f)).

**SPECIFICATIONS OF MISCONDUCT**

**FIRST SPECIFICATION**

Respondent violated New York Education Law §6530(9)(b) by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York State, constitute professional misconduct under the laws of New York State, in that Petitioner charges:

1. The facts in Paragraphs A, B, B(1), B(2), and/or B(3).

**SECOND SPECIFICATION**

Respondent violated New York Education Law §6530(9)(d) by having his license to practice medicine revoked, suspended or having other disciplinary action taken by a duly authorized professional disciplinary agency of another state, or having voluntarily or otherwise surrendered his license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state where the conduct resulting in the revocation, suspension or other disciplinary action would, if committed in New York State, constitute professional misconduct under the laws New York State, in that Petitioner charges:

2. The facts in Paragraphs A, B, B(1), B(2), and/or B(3).
