LICENSE

JOHN O'HEARNE, M.D., representing that all of the following statements are true,  
deposes and says:

That on or about August 6, 1986, I was licensed to practice as a physician in the State of  
New York and issued license number 167393 by the New York State Education Department.

My current address is REDACTED ADDRESS

I understand that the New York State Board for Professional Medical Conduct has  
charged me with one (1) Specification of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A," is attached to and part of  
this Surrender of License.

I am applying to the State Board for Professional Medical Conduct for permission to  
surrender my license as a physician in the State of New York on the grounds that I do not  
contest the one (1) Specification.

I ask the Board to accept the Surrender of my License, and I agree to be bound by all of  
the terms set forth in attached Exhibit "B."

I understand that if the Board does not accept my Surrender of License, none of its  
terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this

application shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board accepts the Surrender of my License, the Chair of the Board shall issue a Surrender Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Surrender Order by first class mail to me at the address in this Surrender of License, or to my attorney by certified mail, or upon facsimile transmission to me or my attorney, whichever is first. As public documents, they may be posted on the Department's website.

I ask the Board to accept this Surrender of License, which I submit of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Surrender of License, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Surrender Order for which I apply, whether administratively or judicially, and I agree to be bound by the Surrender Order.

I understand and agree that the attorney for the Department, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed agreement and Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

## **EXHIBIT "B"**

### **REQUIREMENTS FOR CLOSING A MEDICAL PRACTICE FOLLOWING A REVOCATION, SURRENDER OR SUSPENSION (of six months or more) OF A MEDICAL LICENSE**

1. Respondent shall immediately cease and desist from engaging in the practice of medicine (in New York State) in accordance with the terms of the Order. In addition, Respondent shall refrain from providing an opinion as to professional practice or its application and from representing himself as being eligible to practice medicine.
2. Respondent shall have delivered, to OPMC at Hedley Park Place, 433 River Street Suite 303, Troy, NY 12180-2299, Respondent's original license to practice medicine in New York State and current biennial registration within five (5) days of the effective date of the Order.
3. Respondent shall within fifteen (15) days of the Order, notify all patients of the cessation of his medical practice and will refer all patients to another licensed practicing physician for their continued care, as appropriate.
4. Respondent shall make arrangements for the transfer and maintenance of the medical records of his patients. Within thirty days of the effective date of the Order, Respondent shall notify OPMC of these arrangements including the appropriate and acceptable contact person's name, address, and telephone number who shall have access to these records. Original records shall be retained for at least six years after the last date of service rendered to a patient or, in the case of a minor, for at least six years after the last date of service or three years after the patient reaches the age of majority, whichever time period is longer. Records shall be maintained in a safe and secure place that is reasonably accessible to former patients. The arrangements shall include provisions to ensure that the information on the record is kept confidential and made available only to authorized persons. When a patient and/or his/her authorized representative requests a copy of the patient's medical record, or requests that the original medical record be forwarded to another health care provider, a copy of the record shall be promptly provided or forwarded at a reasonable cost to the patient (not to exceed seventy-five cents per page.) Radiographic, sonographic, and like materials shall be provided at cost. A qualified person shall not be denied access to patient information solely because of his/her inability to pay.
5. In the event that Respondent holds a Drug Enforcement Administration (DEA) certificate, Respondent shall, within fifteen (15) days of the Order's effective date, advise the DEA, in writing, of the licensure action and shall surrender his/her DEA controlled substance privileges to the DEA. Respondent shall promptly surrender any unused DEA #222 U.S. Official Order Forms Schedules 1 and 2 to the DEA.
6. Respondent shall within fifteen (15) days of the Order's effective date, return any unused New York State official prescription forms to the Bureau of Narcotic Enforcement, New York State Department of Health at 433 River Street, Suite 303, Troy, NY 12180-2299. Respondent shall cause all prescription pads bearing his/her name to be destroyed. If no other licensee is providing services at Respondent's practice location, all medications shall be properly disposed of.

7. Respondent shall not share, occupy or use office space in which another licensee provides health care services. Respondent shall cause all signs to be removed within fifteen (15) days and stop all advertisements, professional listings whether in telephone directories, on the internet or otherwise, professional stationery or billings by which his/her eligibility to practice is represented.
8. Respondent shall not charge, receive or share any fee or distribution of dividends for professional services rendered (by Respondent or others) while barred from engaging in the practice of medicine. Respondent may be compensated for the reasonable value of services lawfully rendered and disbursements incurred on a patient's behalf prior to the effective date of this Order.
9. If Respondent is a shareholder in any professional service corporation organized to engage in the practice of medicine and if Respondent's license is revoked, surrendered or suspended for a term of six months or more under the terms of this Order, Respondent shall divest himself/herself of all financial interest in the professional services corporation in accordance with New York Business Corporation Law. Such divestiture shall occur within ninety (90) days of the effective date of this Order. If Respondent is the sole shareholder in a professional services corporation, the corporation must be dissolved or sold within ninety (90) days of the effective date of this Order.
10. Failure to comply with the above directives may result in a civil penalty or further criminal penalties as may be authorized pursuant to the law. Under Section 6512 of the Education Law it is a Class E Felony, punishable by imprisonment of up to 4 years, to practice the profession of medicine when such professional license has been suspended, revoked or annulled. Such punishment is in addition to the penalties for professional misconduct set forth in Section 230-a of the Public Health Law, which includes fines of up to \$10,000 for each specification of charges of which Respondent is found guilty and may include revocation of a suspended license.
