NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER  
OF  
BENSON M. WU, M.D.

CONSENT  
AGREEMENT

BENSON M. WU, M.D., represents that all of the following statements are true:

That on or about June 4, 1996, I was licensed to practice as a physician in the State of New York, and issued License No. 203178, by the New York State Education Department.

My current address is : REDACTED and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I assert that I cannot successfully defend against at least one of the acts of misconduct alleged, in full satisfaction of the charges against me, and agree to the following penalty:

- Pursuant to N.Y. Public Health Law Section 230-a(1), I shall be subject to a Censure and Reprimand.
- Pursuant to N.Y. Public Health Law Section 230-1(7) and (9), I shall be subject to a fine in the amount of \$10,000 to be paid in full within 30 days of the effective date of this Order. Payments must be submitted to:

Bureau of Account Management  
New York State Department of Health  
Empire State Plaza  
Corning Tower, Room 2784  
Albany, New York 12237

- Pursuant to N.Y. Pub. Health Law Section 230-a(9), I shall be placed on Probation for a period of three years, subject to terms set forth in attached Exhibit "B".

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual

suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall : report to the department all information required by the Department to develop a public physician profile for the licensee; continue to notify the department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update his or her profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to his or her physician profile information either electronically using the department's secure web site or on forms prescribed by the department, and licensee shall attest to the truthfulness, completeness and correctness of any changes licensee submits to the department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Respondent remains a licensee in New York State. Respondent's failure to comply with this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health

Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. Health Law §230-a, including but not limited to: revocation or suspension of license, Censure and Reprimand, probation, public service and/or fines of up to \$10,000 per specification of misconduct found; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order.

Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

That, in addition to the condition set forth immediately above, Respondent shall fully cooperate with OPMC in the investigation of other physicians and medical practices and shall disclose information, testify openly and truthfully, concerning any and all knowledge he has regarding the actions and conduct

of other physicians and practices. The cooperation requirement set forth in this paragraph, however, shall not be deemed to require waiver of his privilege to decline to be a witness against himself in any forum other than before the Office of, and the State Board for, Professional Medical Conduct or to furnish information which may inculpate him with regard to actions of his own. In the event that Respondent invokes his privilege, with regard only to actions of his own and based upon the advice of his counsel with regard to self-incrimination, then that limited invocation of such privilege shall not be a violation of this conduct. Any other failure to cooperate shall be a violation of this condition. This condition shall terminate upon the completion of the period of probation set forth elsewhere in this Order.

That Respondent shall, in writing, notify the Director of OPMC of each and every communication occurring at any time after November 15, 2013, that he or any agent of his has with any of the individuals identified in Exhibit "C", attached, or with the representative(s) of such individual, immediately upon the occurrence of such communication. The required notification shall include the nature and contents of every communication. With regard to any communication occurring prior to the effective date of this Order, the required notification shall be provided immediately upon issuance of the Order. (Exhibit "C" shall be a part of the Office of Professional Medical Conduct's investigative file, within the meaning of Public Health Law Section 230(10)(a)(v), and shall be subject to the confidentiality provisions of that

section.) This condition shall terminate upon the completion of the period of probation set forth elsewhere in this Order.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data

Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all Included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
