**APPLICATION FOR A
MODIFICATION
ORDER**

JAMES P. CAVANAGH, M.D., represents that all of the following statements are true:

That on or about June 2, 1988, I was licensed to practice as a physician in the State of New York, and issued License No. 210488 by the New York State Education Department.

My current address is REDACTED

and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I am currently subject to BPMC Order No. 12-190 (Attachment I) (henceforth "Original Order"), which went into effect on September 26, 2012, and which was issued upon an Application For Consent Order signed by me on September 17, 2012 (henceforth "Original Application"), adopted by the Original Order. I hereby apply to the State Board for Professional Medical Conduct for an Order (henceforth "Modification Order"), modifying the Original Order, as follows:

The sanction imposed in the Original Order was, as follows:

Pursuant to N.Y. Pub. Health Law § 230-a(2), my license to practice medicine in New York State shall be suspended for a period of one year, with such period of suspension to be entirely stayed.

Pursuant to N.Y. Pub. Health Law §§ 230-a(7) and (9), I shall be subject to a fine in the amount of \$20,000, \$10,000 to be paid within 30 days, \$10,000 to be paid within 90 days of the effective date of this Order. Payments must be submitted to:

Corning Tower, Room 2784
Albany, New York 12237

Pursuant to N.Y. Pub. Health Law § 230-a(9), I shall be placed on probation for a period of 60 months, subject to the terms set forth in attached Exhibit "B." Six months prior to the termination of probation Respondent, at the direction of the Director of the Office of Professional Medical Conduct, (Director) shall submit to a psychiatric evaluation by a physician approved by the Director. The Director may, based upon said evaluation and at his discretion, extend the period of probation for an additional 24 months. (Underlining added.)

The sanction imposed in the Original Order shall be modified to strike the entirety of the underlined portion set forth above.

and

All remaining Terms and Conditions will continue as written in the Original Order.

By making this Application, I assert that, by choice, I currently practice medicine in New York State exclusively in a hospital setting. As a condition of the Modification Order for which I apply, should I, in the future, determine to commence medical practice in New York State outside of a hospital setting, I shall, prior to commencing such practice, provide 30 days advance notice, in writing, to the Director of OPMC. I may commence such practice after I receive the Director's written acknowledgment that this condition has been satisfied, and I agree to be subject to any further conditions the Director may impose as relate to the original Consent Order and/or any circumstances or information known to the Director at the time I provide notice of my determination to commence medical practice in New York State outside of a hospital setting. By making this Application, I stipulate that the Director is authorized, in the exercise of his sole discretion, to impose whatever further conditions the Director shall deem appropriate, and I further stipulate that my failure to comply with such conditions shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I make this Application of my own free will and accord and not under duress, compulsion or restraint, and seek the anticipated benefit of the requested Modification. In consideration of the value to me of the acceptance by the Board of this Application, I knowingly waive my right to contest the Original Order or the Modification Order for which I apply, whether administratively or judicially, and ask that the Board grant this Application.

I understand and agree that the attorney for the Department, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed agreement and Order, based upon my application, or to decline to do so. CONSENT
AGREEMENT
AND
ORDER

JAMES P. CAVANAGH, M.D., represents that all of the following statements are true:

That on or about June 2, 1998, I was licensed to practice as a physician in the State of New York, and issued License No. 210488, by the New York State Education Department.

My current address is REDACTED and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one specification of professional misconduct, as set forth in a Statement of Charges, marked as Exhibit "A", attached to and part of this Consent Agreement.

I do not contest the charge, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to N.Y. Pub. Health Law § 230-a(2), my license to practice medicine in New York State shall be suspended for a period of one year, with such period of suspension to be entirely stayed.

Pursuant to N.Y. Pub. Health Law §§ 230-a(7) and (9), I shall be subject to a fine in the amount of \$20,000, \$10,000 to be paid within 30 days, \$10,000 to be paid within 90 days of the effective date of this Order. Payments must be submitted to:

Bureau of Accounts Management
New York State Department of Health
Empire State Plaza
Corning Tower, Room 2784
Albany, New York 12237

Pursuant to N.Y. Pub. Health Law § 230-a(9), I shall be placed on probation for a period of 60 months, subject to the terms set forth in attached Exhibit "B." Six months prior to the termination of probation Respondent, at the direction of the Director of the Office of Professional Medical conduct, (Director) shall submit to a psychiatric evaluation by a physician approved by the Director. The Director may, based upon said evaluation and at his discretion, extend the period of probation for an additional 24 months.

I further agree that the Consent Order shall impose the following conditions:

That Respondent shall remain in continuous compliance with all requirements of N.Y. Educ Law § 6502 including but not limited to the requirements that a licensee shall register and continue to be registered with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Respondent shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Consent Order's effective date and will continue so long as Respondent remains a licensee in New York State; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Consent Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Consent Order.

Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State.

I stipulate that my failure to comply with any conditions of this Consent Order shall constitute misconduct as defined by N.Y. Educ. Law § 6530(29).

I agree that, if I am charged with professional misconduct in future, this Consent Agreement and Order **shall** be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to N.Y. Pub. Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Consent Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The Consent Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Consent Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board and OPMC have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially. I agree to be bound by the Consent Order, and I ask that the Board adopt this Consent Agreement.

I understand and agree that the attorney for the Department, the Director of OPMC and the Chair of the Board each retain complete discretion either to enter into the proposed agreement and Consent Order, based upon my application, or to decline to do so.
