IN THE MATTER
OF
JOHN M. GAYDEN, JR., M.D.

STATEMENT
OF
CHARGES

JOHN M. GAYDEN, JR., M.D., the Respondent, was authorized to practice medicine in New York State on or about November 14, 1983, by the issuance of license number 156717 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about April 21, 2015, the Florida Board of Medicine ("Florida Board") issued a Final Order whereby the Florida Board accepted Respondent's offer to voluntarily relinquish his license to practice medicine in the State of Florida. The Final Order constituted disciplinary action against Respondent's license. The Final Order resolved two administrative complaints filed against Respondent, one which alleged that Respondent, among other things, prescribed inappropriate and excessive amounts of controlled substances to three patients, failed to monitor their use of controlled substances, failed to perform adequate evaluations at appropriate intervals for those patients, and failed to maintain an adequate medical record for all three patients. The Administrative Complaint also alleged that Respondent engaged in a sexual relationship with a 17-year-old female who Respondent provided oxycodone and marijuana for recreational use. The Administrative Complaint further alleged that Respondent provided the 17-year-old female controlled substances immediately prior to engaging her in sexual activities. It was further alleged that Respondent prescribed the 17-year-old female Valtrex to treat a medical condition thus establishing a physician-patient relationship. The Administrative Complaint charged Respondent with violating various provisions of Florida law that subjected Respondent to disciplinary action.

B. The conduct resulting in the Florida disciplinary action against Respondent would constitute misconduct under the laws of New York State pursuant to the following sections of New York State law:

1. New York Education Law § 6530(3) (practicing the profession with negligence on more than one occasion);
2. New York Education Law § 6530(4) (practicing the profession with gross negligence on a particular occasion);
3. New York Education Law § 6530(5) (practicing the profession with incompetence on more than one occasion);
4. New York Education Law § 6530(6) (practicing the profession with gross incompetence);
5. New York Education Law § 6530(17) (exercising undue influence on a patient);
6. New York Education Law § 6530(20) (conduct in the practice of medicine which evidences moral unfitness to practice medicine); and/or
7. New York Education Law § 6530(32) (failing to maintain a record for each patient).

SPECIFICATION OF CHARGES

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(d) by having his or her license to practice medicine revoked, suspended or having other disciplinary action taken, or having his or her application for a license refused, revoked or suspended or having voluntarily or otherwise surrendered his or her license after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the revocation, suspension or other disciplinary action involving the license or refusal, revocation or suspension of an application for a license or the surrender of the license would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law §§ 6530[3], [4], [5], [6], [17], [20] and/or [32]) as alleged in the facts of the following:

1. Paragraphs A and B.
