EXHIBIT A

IN THE MATTER
OF
MARK DAVID WEINREB, M.D.
CO-12-02-0455-A

STATEMENT
OF
CHARGES

MARK DAVID WEINREB, M.D., Respondent, was licensed to practice medicine in New York state on February 20, 1992, by the issuance of license number 188427 by the New York State Education Department.

FACTUAL ALLEGATIONS

A. On or about December 7, 2012 the State of New Hampshire Board of Medicine (hereinafter "New Hampshire Board"), by settlement agreement, *inter alia*, REVOKED Respondent's license to practice medicine in New Hampshire. The New Hampshire Board found that Respondent provided care that was substantially outside his area of expertise, his records inadequately reflected basic psychiatric assessments, medication was prescribed with inadequate or non-existent rationale, and Respondent failed to refer patients to specialized care. Furthermore, Respondent prescribed excessive amounts of narcotics to pediatric patients without documentation, and repeatedly refilled prescriptions for narcotics without examining patients, including when patients failed to show up for appointments.

The New Hampshire Board also found that Respondent failed to maintain appropriate boundaries with patients and their families, specifically by becoming Facebook "friends" with pediatric patients and their parents. In one incident, Respondent became upset over a Facebook message from a pediatric patient and initially refused to refill medication until the patient had apologized to him.

B. The conduct resulting in the New Hampshire Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State law:

1. New York State Education Law Sec. 6530(3) (negligence on more than one occasion) and/or;
2. New York State Education Law Sec. 6530(4) (gross negligence) and/or;

3. New York State Education Law Sec. 6530(32) (failure to maintain a record).

SPECIFICATIONS

FIRST SPECIFICATION

Respondent violated New York Education Law Sec. 6530(9)(b) by having been found guilty of improper professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

1. The facts in Paragraphs A and B.

SECOND SPECIFICATION

Respondent violated New York Education Law Sec. 6530(9)(d) by having disciplinary action taken by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the disciplinary action would, if committed in New York state, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

2. The facts in Paragraphs A and B.

Such divestiture shall occur within ninety (90) days of the effective date of this Order. If Respondent is the sole shareholder in a professional services corporation, the corporation must be dissolved or sold within ninety (90) days of the effective date of this Order.
