IN THE MATTER
OF
CECILE ST. PAUL, M.D.

SURRENDER
OF
LICENSE

CECILE ST. PAUL, M.D., (Respondent), representing that all of the following statements are true, deposes and says:

That on or about September 18, 1987, I was licensed to practice medicine in the State of New York and issued license number 172386 by the New York State Education Department.

My current address is 1412 Royal ^{Palm} Park Square Blvd, Suite 102, Fort Myers, FL 33919.

I understand that the New York State Board for Professional Medical Conduct has charged me with one (1) Specification of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A," is attached to and part of this Surrender of License.

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license to practice medicine in the State of New York on the grounds that I do not contest the First Specification.

I ask the Board to accept the surrender of my license, and I agree to be bound by all of the terms set forth in attached Exhibit "B."

I understand that if the Board does not accept my Surrender of License none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Surrender of License shall not be used against me in any way and shall be kept in strict confidence; and

the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board accepts the surrender of my license, the Chair of the Board shall issue a Surrender Order in accordance with its terms. I agree that the Surrender Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Surrender Order by first class mail to me at the address in this Surrender of License, or to my attorney by certified mail, or upon facsimile transmission to me or my attorney, whichever is first. The Surrender Order, this Surrender of License, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website.

I ask the Board to accept this Surrender of License, which I submit of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Surrender of License, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Surrender Order for which I apply, whether administratively or judicially, and I agree to be bound by the Surrender Order.

I understand and agree that the attorney for the Department of Health, the Director of the Office of Professional Medical Conduct, and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed Surrender of License and Surrender Order, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
