That on or about July 20, 1990, I was licensed to practice medicine in the State of New York and issued license number 183132 by the New York State Education Department.

My current address is REDACTED

I understand that the New York State Board for Professional Medical Conduct has charged me with two (2) Specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A," is attached to and part of this Surrender of License.

I am applying to the State Board for Professional Medical Conduct for permission to surrender my license to practice medicine in the State of New York on the grounds that I do not contest the Specifications.

I ask the Board to accept the surrender of my license, and I agree to be bound by all of the terms set forth in attached Exhibit "B."

I understand that if the Board does not accept my Surrender of License none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Surrender of License shall not be used against me in any way and shall be kept in strict confidence; and

the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

In consideration of the value to me of the Board's acceptance of this Surrender of License, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Surrender Order for which I apply, whether administratively or judicially, and I agree to be bound by the Surrender Order.

I understand and agree that the attorney for the Department of Health, the Director of the Office of Professional Medical Conduct, and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed Surrender of License and Surrender Order, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

IN THE MATTER
OF
RUBY S. NADEL, M.D.
(aka RUBY SIDDIQUI)
CO-12-05-2369-A

STATEMENT
OF
CHARGES

RUBY S. NADEL, M.D., Respondent, was authorized to practice medicine in New York State on July 20, 1990, by the issuance of license number 183132 by the New York State Education Department.

FACTUAL ALLEGATIONS

- A. On or about April 18, 2012, the Medical Board of California, Department of Consumer Affairs (hereinafter "California Board"), by a Ruling and Order on Petition for Interim Suspension Order (hereinafter "California Order"), inter alia, issued an Interim Suspension Order suspending Respondent's Physician's and Surgeon's Certificate No. C 50414 based upon a finding that Respondent was unable to practice medicine safely due to a mental condition and that permitting Respondent to continue to engage in the practice of medicine would endanger the public health, safety and welfare. On or about May 8, 2012, the California Board issued a second Interim Suspension Order suspending Respondent's Physician's and Surgeon's Certificate pending a full administrative determination of Respondent's fitness to practice medicine. On or about February 5, 2013, the California Board, by a Stipulated Surrender of License and Order, inter alia, accepted Respondent's surrender of her Physician's and Surgeon's Certificate upon Respondent admitting the first of two causes of action that Respondent suffered from a severe mental illness and could not safely practice medicine. The second cause of action alleged sexual misconduct based upon a sexual relationship with a patient for whom Respondent was also prescribing medications.
- B. In an interview with a California Board investigator, Respondent admitted to a sexual relationship with a patient, failure to maintain medical records, prescribing medications to

patients at their request, and billing insurance companies regardless of whether she saw patients.

C. The conduct resulting in the California Board disciplinary action against Respondent would constitute misconduct under the laws of New York State, pursuant to the following sections of New York State Law:

1. New York Education Law §6530(7) (Practicing the profession while impaired by a mental disability).
2. New York Education Law §6530(8) (Having a psychiatric condition which impairs the licensee's ability to practice).
3. New York Education Law §6530(32) (Failing to maintain a record for each patient which accurately reflects the evaluation and treatment of the patient).
4. New York Education Law §6530(44) (In the practice of psychiatry, any physical contact of a sexual nature between licensee and patient).
5. New York Education Law §6530(2) (Practicing the profession fraudulently).
6. New York Education Law §6530(3) (Practicing the Profession with negligence on more than one occasion).

SPECIFICATIONS

FIRST SPECIFICATION

Respondent violated New York Education Law §6530(9)(b) by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York State, constitute professional misconduct under the laws of New York state, in that Petitioner charges:

1. The facts in Paragraphs A, B and/or C.

SECOND SPECIFICATION

Respondent violated New York Education Law §6530(9)(d) by having disciplinary action taken or having surrendered her license to practice medicine after a disciplinary action was instituted by a duly authorized professional disciplinary agency of another state, where the conduct resulting in the surrender of license, revocation of license and/or other disciplinary action would, if committed in New York State, constitute professional misconduct under the laws New York State, in that Petitioner charges:

2. The facts in Paragraphs A, B and/or C.

1. Respondent shall immediately cease and desist from engaging in the practice of medicine (in New York State) in accordance with the terms of the Order. In addition, Respondent shall refrain from providing an opinion as to professional practice or its application and from representing himself as being eligible to practice medicine.
2. Respondent shall have delivered, to OPMC at Riverview Center, 150 Broadway, Suite 355, Menands, NY 12204-2719, Respondent's original license to practice medicine in New York State and current biennial registration within five (5) days of the effective date of the Order.
3. Respondent shall within fifteen (15) days of the Order, notify all patients of the cessation of his medical practice and will refer all patients to another licensed practicing physician for their continued care, as appropriate.
4. Respondent shall make arrangements for the transfer and maintenance of the medical records of his patients. Within thirty days of the effective date of the Order, Respondent shall notify OPMC of these arrangements including the appropriate and acceptable contact person's name, address, and telephone number who shall have access to these records. Original records shall be retained for at least six years after the last date of service rendered to a patient or, in the case of a minor, for at least six years after the last date of service or three years after the patient reaches the age of majority, whichever time period is longer. Records shall be maintained in a safe and secure place that is reasonably accessible to former patients. The arrangements shall include provisions to ensure that the information on the record is kept confidential and made available only to authorized persons. When a patient and/or his/her authorized representative requests a copy of the patient's medical record, or requests that the original medical record be forwarded to another health care provider, a copy of the record shall be promptly provided or forwarded at a reasonable cost to the patient (not to exceed seventy-five cents per page.) Radiographic, sonographic, and like materials shall be provided at cost. A qualified person shall not be denied access to patient information solely because of his/her inability to pay.

Respondent shall cause all prescription pads bearing his/her name to be

destroyed. If no other licensee is providing services at Respondent's practice location, all medications shall be properly disposed of.

7. Respondent shall not share, occupy or use office space in which another licensee provides health care services. Respondent shall cause all signs to be removed within fifteen (15) days and stop all advertisements, professional listings whether in telephone directories, on the internet or otherwise, professional stationery or billings by which his/her eligibility to practice is represented.
8. Respondent shall not charge, receive or share any fee or distribution of dividends for professional services rendered (by Respondent or others) while barred from engaging in the practice of medicine. Respondent may be compensated for the reasonable value of services lawfully rendered and disbursements incurred on a patient's behalf prior to the effective date of this Order.
9. If Respondent is a shareholder in any professional service corporation organized to engage in the practice of medicine and if Respondent's license is revoked, surrendered or suspended for a term of six months or more under the terms of this Order, Respondent shall divest himself/herself of all financial interest in the professional services corporation in accordance with New York Business Corporation Law. Such divestiture shall occur within ninety (90) days of the effective date of this Order. If Respondent is the sole shareholder in a professional services corporation, the corporation must be dissolved or sold within ninety (90) days of the effective date of this Order.
10. Failure to comply with the above directives may result in a civil penalty or further criminal penalties as may be authorized pursuant to the law. Under Section 6512 of the Education Law it is a Class E Felony, punishable by imprisonment of up to 4 years, to practice the profession of medicine when such professional license has been suspended, revoked or annulled. Such punishment is in addition to the penalties for professional misconduct set forth in Section 230-a of the Public Health Law, which includes fines of up to \$10,000 for each specification of charges of which Respondent is found guilty and may include revocation of a suspended license.
