DATED: 6/20/00

WILLIAM P. DILLON, M.D.
Chair
State Board for Professional Medical Conduct
MANJULA M. JAY, M.D., (Respondent) says:

That on or about September 16, 1997, I was licensed to practice as a physician in the State of New York, having been issued License No. 208320 by the New York State Education Department.

My current address is 191 Fisherman's Cove, Rochester, New York 14626 and I will advise the Director of the Office of Professional Medical Conduct of any change of my address.

I understand that the New York State Board for Professional Medical Conduct has charged me with two specifications of professional misconduct.

A copy of the Statement of Charges is annexed hereto, made a part hereof, and marked as Exhibit "A".

I do not contest the first specification in full satisfaction of all of the charges against me. I hereby agree to the following penalty: a censure and reprimand.

I further agree that the Consent Order for which I hereby apply shall impose the following conditions:

That, except during periods of actual suspension, Respondent shall maintain current registration of Respondent's license with the New York State Education Department Division of Professional Licensing Services, and pay all registration fees. This condition shall be in
effect beginning thirty days after the effective date of the Consent Order and will continue while the licensee possesses her license; and

That Respondent shall fully cooperate in every respect with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigation of all matters regarding Respondent. Respondent shall respond in a timely manner to each and every request by OPMC to provide written periodic verification of Respondent's compliance with the terms of this Order. Respondent shall meet with a person designated by the Director of OPMC as directed. Respondent shall respond promptly and provide any and all documents and information within Respondent's control upon the direction of OPMC. This condition shall be in effect beginning upon the effective date of the Consent Order and will continue while the licensee possesses her license.

I hereby stipulate that any failure by me to comply with such conditions shall constitute misconduct as defined by New York State Education Law §6530(29).

I agree that in the event I am charged with professional misconduct in the future, this agreement and order shall be admitted into evidence in that proceeding.

I hereby make this Application to the State Board for Professional Medical Conduct (the Board) and request that it be granted.

I understand that, in the event that this Application is not granted by the Board, nothing contained herein shall be binding upon me or construed to be an admission
of any act of misconduct alleged or charged against me, such Application shall not be used against me in any way and shall be kept in strict confidence during the pendency of the professional misconduct disciplinary proceeding; and such denial by the Board shall be made without prejudice to the continuance of any disciplinary proceeding and the final determination by the Board pursuant to the provisions of the Public Health Law.

I agree that, in the event the Board grants my Application, as set forth herein, an order of the Chairperson of the Board shall be issued in accordance with same. I agree that such order shall be effective upon issuance by the Board, which may be accomplished by mailing, by first class mail, a copy of the Consent Order to me at the address set forth in this agreement, or to my attorney, or upon transmission via facsimile to me or my attorney, whichever is earliest.

I am making this Application of my own free will and accord and not under duress, compulsion or restraint of any kind or manner. In consideration of the value to me of the acceptance by the Board of this Application, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive any right I may have to contest the Consent Order for which I hereby apply, whether administratively or judicially, and ask that the Application be granted.
