DETERMINATION

AND

ORDER

BPMC #14-133

A hearing was held on April 24, 2014, at the offices of the New York State Department of Health ("the Petitioner"). A Commissioner's Order, Notice of Hearing and Statement of Charges dated December 27, 2013, were served upon the Respondent, Charles Neuringer, M.D. Pursuant to Section 230(10)(e) of the Public Health Law, Virginia R. Marty, Chairperson, Jonathan Ecker, M.D. and James G. Egnatchik, M.D. duly designated members of the State Board for Professional Medical Conduct, served as the Hearing Committee in this matter. Christine C. Traskos, Esq. Administrative Law Judge, served as the Administrative Officer.

The Petitioner appeared by James Dering, Esq., General Counsel, by Nathaniel C. White, Esq. of Counsel. The Respondent did not appear and was not represented by counsel.

Evidence was received and transcripts of these proceedings were made.

After consideration of the entire record, the Hearing Committee issues this Determination and Order.

BACKGROUND

This proceeding was brought pursuant to Public Health Law Section 230(10). The statute provides for an expedited hearing when a licensee is charged with a violation of

Education Law Section 6530(9). In such cases, a licensee is charged with misconduct based upon a prior criminal conviction in New York State or another jurisdiction, or upon a prior administrative adjudication regarding conduct that would amount to professional misconduct, if committed in New York. The scope of an expedited hearing is limited to a determination of the nature and severity of the penalty to be imposed upon the licensee.

In this case, the Respondent is charged with professional misconduct pursuant to Education Law Section 6530(9)(a).

Copies of the Notice of Hearing and the Statement of Charges are attached to this Determination and Order as Appendix I.

WITNESSES

For the Petitioner: None

For the Respondent: None

FINDINGS OF FACT

The following Findings of Fact were made after a review of the entire record in this matter. Numbers below in parentheses refer to exhibits, denoted by the prefix "Ex." or transcript page numbers ("T."). These citations refer to evidence found persuasive by the Hearing Committee in arriving at a particular finding. Conflicting evidence, if any, was considered and rejected in favor of the cited evidence. All Hearing Committee findings were unanimous.

1. Charles Neuringer, M.D., the Respondent did not appear although he was duly served. (Petitioner's Ex. 2)

2. Charles Neuringer, M.D., the Respondent, was authorized to practice medicine in New York State on July 9, 1968 by the issuance of license number 101684 by the New York State Education Department. (Petitioner's Ex. 3)

3. On October 11, 2012, in the United States District Court, Southern District of Florida, Respondent pled guilty to one count of Conspiracy to Unlawfully Dispense Oxycodone in violation of 18 United States Code § 371, a felony. On August 6, 2013, Respondent was sentenced to twenty-one months imprisonment, three years supervised release, forfeiture of \$476,988.00, \$7,500.00 fine, and \$100.00 assessment fee. (Petitioner's Ex.4)

VOTE OF THE HEARING COMMITTEE

SPECIFICATION OF MISCONDUCT

Respondent violated New York Education Law §6530(9)(a)(ii) by having been convicted of committing an act constituting a crime under federal law.

VOTE: Sustained (3-0)

HEARING COMMITTEE DETERMINATION

The Respondent did not appear at the hearing and offered nothing in the way of mitigation. Respondent pled guilty to intentionally dispensing large quantities of oxycodone, a Schedule II controlled substance, for no legitimate medical purpose. The Hearing Committee considers this misconduct to be serious because Respondent repeatedly prescribed controlled substances for patients without taking an adequate medical history or performing physical exams. The

record further indicates that in some instances, patients were "coached" on what to say in an attempt to justify the prescribing and dispensing of controlled substances. The Hearing Committee believes that Respondent's behavior creates a danger to society and it warrants a severe penalty.

As a result, the Hearing Committee concludes that Respondent's license to practice medicine in New York State should be revoked. This determination was reached after due consideration of the full spectrum of penalties available pursuant to statute, including revocation, suspension and/or probation, censure and reprimand, the imposition of monetary penalties and dismissal in the interest of justice.

ORDER

IT IS HEREBY ORDERED THAT:

1. The specification of professional misconduct, as set forth in the Statement of Charges, is **SUSTAINED;**
2. Respondent's license to practice medicine in New York State is **REVOKED;**
3. This Order shall be effective upon service on the Respondent by personal service or registered or certified mail in accordance with the requirements of Public Health Law Section 230(10)(h).
