LAW § 230

DANIEL HAMNER, M.D. A/K/A LOUIS DANIEL HAMNER, JR., M.D., represents
that all of the following statements are true:

That on or about February 25, 1977, I was licensed to practice as a physician in the
State of New York and issued License No. 129993 by the New York State Education
Department. Effective upon the issuance of this nondisciplinary Order, I shall retire
permanently from all practice of medicine. I agree that I shall not practice medicine after
the effective date of this Order; any practice of medicine by me thereafter shall constitute a
violation of the Conditions of this Order.

My current address is REDACTED

and I will advise the Director of the Office of Professional Medical Conduct of any change
of address. I am affiliated with the following hospitals and/or facilities:

None

I understand that the New York State Board for Professional Medical Conduct ("the
Board") has investigated the issues set forth in attached Exhibit "A". I request that the
Board and the Director of the Office of Professional Medical Conduct ("the Director"), in

reliance upon the results of the investigation to date, conclude the investigation of these issues, provided I successfully and without incident comply with the Conditions set forth below. In consideration of the Board and the Director granting this Application, and upon the Board's election not to bring disciplinary charges against me, I agree that the Board and the Director shall issue an Order of Conditions Pursuant to N.Y. Pub. Health Law § 230.

I agree that the Order shall impose the following Conditions:

1. That Licensee shall, within 30 days of the issuance of the Consent Order, notify the New York State Education Department, Division of Professional Licensing Services, that Licensee's license status is "inactive," and shall provide proof of such notification to the Director of OPMC immediately upon having done so. Licensee agrees that he shall not re-activate his license, and that he shall not practice medicine after the Order's effective date;
2. That Licensee shall return any and all official New York State prescriptions to the Bureau of Narcotic Enforcement, and, in the event that Licensee holds a Drug Enforcement Administration (DEA) Certificate for New York State, Licensee shall surrender his Certificate to DEA within 15 days of the Order's effective date. All submissions to DEA shall be addressed to: Diversion Program Manager, New York Field Division, U.S. Drug Enforcement Administration, 99 Tenth Avenue, New York, NY 10011. Further, within 30 days of returning these prescriptions and surrendering the Certificate,

Licensee shall provide documentary proof of these transaction(s) to the Director of OPMC;

3. That Licensee shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Licensee. Licensee shall respond in a timely manner to all OPMC requests for written periodic verification of Licensee's compliance with this Order. Licensee shall meet with a person designated by the Director of OPMC, as directed. Licensee shall respond promptly and provide all documents and information within Licensee's control, as directed. This condition shall take effect upon the Order's effective date and shall continue while Licensee possesses a license;
4. That Licensee shall comply with this Order, and all its terms and Conditions, including all Conditions set forth in attached Exhibit "B" ("Requirements for Closing a Medical Practice"), and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with or violation of these terms and Conditions, the Director and/or the Board may initiate a proceeding against Licensee under N.Y. Pub. Health Law § 230.

I stipulate that my failure to comply with the Conditions imposed by this Order, if proven and found at a hearing pursuant to N. Y. Pub. Health Law § 230(10), shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(29).

I understand that nothing in this Application shall be construed as an admission by me of any act of alleged misconduct or as a finding of misconduct as to those issues referred to in Exhibit "A". I deny any acts of misconduct and reserve my right to assert all defenses I may have in any later or other proceeding.

I understand and agree that my failure to comply with, successfully complete, or satisfy any of the material conditions of this Order, shall vest the Director with the authority, in the exercise of reasonable discretion, to vacate this agreement and shall permit the Director to pursue further investigation and/or prosecution of misconduct charges against me as to the issues set forth in Exhibit "A" to the full extent authorized by the Public Health Law and the Education Law.

I understand that an Order issued upon this Application does not bar prosecution for professional misconduct based upon allegations of violations of N.Y. Educ. Law § 6530 unrelated to the issues set forth in Exhibit "A", whether those alleged violations occurred before or after this Application. The Director may, at such time, also direct counsel to prepare charges that include allegations as to the issues set forth in Exhibit "A".

I agree that, if the Board grants this Application, the Chair of the Board shall issue an Order of Conditions in accordance with its terms. I further agree that this Order of Conditions shall be a public order and that the Department of Health shall notify the National Practitioner Data Bank and the Federation of State Medical Board of this Order of Conditions, and this Order of Conditions shall be posted on the Department of Health website(s).

I make this Application of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Application, I waive my right to contest the Order for which I apply, whether administratively or judicially, I agree to be bound by the Order, and I ask that the Board grant this Application.

I understand and agree that the attorney for the Department of Health, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed agreement and Order, based upon my Application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.
