NEW YORK STATE DEPARTMENT OF HEALTH
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

IN THE MATTER
OF
HAROLD SOLOMON PARNES, M.D.

APPLICATION FOR
NON-DISCIPLINARY
ORDER OF
CONDITIONS
PURSUANT TO
N.Y. PUB. HEALTH
LAW § 230

HAROLD SOLOMON PARNES, M.D., represents that all of the following
statements are true:

That on or about January 8, 1987, I was licensed to practice as a physician in the
State of New York and issued License No.169083 by the New York State Education
Department.

My current address is 1525 Voorhies Avenue, Brooklyn, NY and I will advise the Director of the
Office of Professional Medical Conduct of any change of address. I am affiliated with the
following hospitals and/or facilities: (none at the present time). I understand that the New
York State Board for Professional Medical Conduct ("the Board") has investigated the
issues set forth in attached Exhibit "A".

I request that the Board and the Director of the Office of Professional Medical
Conduct ("the Director"), in reliance upon the results of the investigation to date and upon
my representation that I practiced medicine without incident for at least a year prior to July
5, 2018, conclude the investigation of these issues, provided I successfully and without
incident comply with the Conditions set forth below. In consideration of the Board

and the Director granting this Application, and upon the Board's election not to bring disciplinary charges against me, I agree that the Board and the Director shall issue a Non-disciplinary Order of Conditions Pursuant to N.Y. Pub. Health Law § 230.

I agree that the Order shall impose the following conditions:

That for a period of three years from the Order's effective date, subject to the tolling provisions set forth below, Licensee shall be subject to additional conditions set forth as "Practice Conditions" enumerated in Exhibit "B", which is attached to and a part of this agreement.

That Licensee shall remain in continuous compliance with all requirements of N.Y. Educ. Law § 6502, including but not limited to the requirements that a licensee shall register, and continue to be registered, with the New York State Education Department (except during periods of actual suspension) and that a licensee shall pay all registration fees. Licensee shall not exercise the option provided in N.Y. Educ. Law § 6502(4) to avoid registration and payment of fees. This condition shall take effect 120 days after the Order's effective date and shall continue at all times until the conclusion of the period of Practice Conditions, regardless of tolling; and

That Licensee shall remain in continuous compliance with all requirements of N.Y. Pub. Health Law § 2995-a(4) and 10 NYCRR 1000.5, including but not limited to the requirements that a licensee shall : report to the Department all information required by the Department to develop a public physician profile for the licensee; continue to

notify the Department of any change in profile information within 30 days of any change (or in the case of optional information, within 365 days of such change); and, in addition to such periodic reports and notification of any changes, update Licensee's profile information within six months prior to the expiration date of the licensee's registration period. Licensee shall submit changes to Licensee's physician profile information either electronically using the Department's secure web site or on forms prescribed by the Department, and licensee shall attest to the truthfulness, completeness and correctness of any changes licensee submits to the Department. This condition shall take effect 30 days after the Order's effective date and shall continue so long as Licensee remains a licensee in New York State.

Licensee's failure to comply with this condition, if proven and found at a hearing pursuant to N.Y. Pub. Health Law § 230, shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(21) and N.Y. Educ. Law § 6530(29). Potential penalties for failure to comply with this condition may include all penalties for professional misconduct set forth in N.Y. Pub. Health Law §230-a, including but not limited to: revocation or suspension of license, Censure and Reprimand, probation, public service and/or fines of up to \$10,000 per specification of misconduct found; and

That Licensee shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Licensee's employment and practice; all

professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Licensee shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Licensee receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Licensee shall cooperate fully with the Office of Professional Medical Conduct ("OPMC") in its administration and enforcement of this Order and in its investigation of Licensee. Licensee shall respond in a timely manner to all OPMC requests for written periodic verification of compliance with the terms of this Order, meet in person with the Director's designee, and respond promptly and provide all documents and information within Licensee's control to OPMC, as directed. This Condition shall take effect upon the Order's effective date and shall continue while Licensee possesses a license in New York; and

I stipulate that my failure to comply with the conditions imposed by this order, if proven and found at a hearing pursuant to N. Y. Pub. Health Law § 230(10), shall constitute professional misconduct as defined in N.Y. Educ. Law § 6530(29). I agree that if

I am charged with professional misconduct in future, this Application and Order shall be admitted into evidence in that proceeding.

I understand that nothing in this Application shall be construed as an admission by me of any act of alleged misconduct or as a finding of misconduct as to those issues referred to in Exhibit "A". I deny any acts of misconduct and reserve my right to assert all defenses I may have in any later or other proceeding.

I understand and agree that my failure to comply with, successfully complete, or satisfy any of the material conditions of this Order, and/or any unsatisfactory report by the reviewer, shall vest the Director with the authority, in the exercise of reasonable discretion, to vacate this agreement and shall permit the Director to pursue further investigation and/or prosecution of misconduct charges against me as to the issues set forth in Exhibit "A" to the full extent authorized by the Public Health Law and the Education Law.

I understand that an Order issued upon this Application does not bar prosecution for professional misconduct based upon allegations of violations of N.Y. Educ. Law § 6530 unrelated to the issues set forth in Exhibit "A", whether those alleged violations occurred before or after this Application. The Director may, at such time, also direct counsel to prepare charges that include allegations as to the issues set forth in Exhibit "A".

I agree that, if the Board grants this Application, the Chair of the Board shall issue an Order of Conditions in accordance with its terms. I further agree that the Department of

Health shall notify the National Practitioner Data Bank and the Federation of State Medical Boards of this Order of Conditions pursuant to N.Y. Pub. Health Law § 230 and that the Order of Conditions is not disciplinary in nature. This Order of Conditions [with the exception of Exhibit "A," which shall remain a part of the investigative files of the Office of Professional Medical Conduct within the meaning of N.Y. Pub. Health Law § 230(10)(a)(v)] shall be posted on the Department of Health website.

I make this Application of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's acceptance of this Application, I waive my right to contest the Order for which I apply, whether administratively or judicially, I agree to be bound by the Order, and I ask that the Board grant this Application.

I understand and agree that the attorney for the Department of Health, the Director of the Office of Professional Medical Conduct and the Chair of the State Board for Professional Medical Conduct each retain complete discretion either to enter into the proposed agreement and Order, based upon my Application, or to decline to do so. I further understand and agree that no prior or separate written or oral communication can limit that discretion.

- 1) Licensee's conduct shall conform to moral and professional standards of conduct and governing law. Any act of professional misconduct by Licensee as defined in N.Y. Educ. Law §§ 6530 or 6531 shall constitute a violation of this Order and may subject Licensee to an action pursuant to N.Y. Pub. Health Law § 230.
- 2) Licensee shall adhere to federal and state guidelines and professional standards of care with respect to infection control practices. Licensee shall ensure education, training and oversight of all office personnel involved in medical care with respect to these practices.
- 3) Licensee shall maintain complete and legible medical records that accurately reflect the evaluation and treatment of patients.
- 4) The Director may review Licensee's professional performance. This review may include but shall not be limited to: a review of office records, patient records, hospital charts and/or electronic records; and interviews or periodic visits with Licensee and staff at practice locations or OPMC offices.
- 5) Licensee shall provide access for DOH personnel to Licensee's office(s) to verify Licensee's compliance with this Order. This access shall include, but not be limited to, on-site inspections, observation and interviews.
- 6) Within 30 days of the effective date of the Order, the Licensee shall enroll in the American Board of Radiology Online Longitudinal Assessment Examination (OLA)

for neuro-radiology. Licensee shall take the OLA at any Department of Health office subject to the approval of the OPMC. Respondent agrees to complete the OLA by within one (1) year of enrolling and shall make available to the OPMC the results of the OLA including but not limited to information relating to the grading of questions answered incorrectly, the topic area of the incorrectly answered questions, educational material provided by the American Board of Radiology ("ABR") in response to incorrectly answered questions and any recommendations by the ABR based on the OLA.

- a) Licensee shall be responsible for all expenses related to the OLA and shall provide to the OPMC proof of full payment of all costs that may be charged.

- 7) Within thirty days of the effective date of the Order of Conditions, licensee shall designate as a medical reviewer ("reviewer"), a licensed physician, board certified in an appropriate specialty, proposed by licensee and subject to the written approval of the Director of OPMC. The reviewer shall perform a retrospective review of the licensee's radiological practice.

- a) Licensee shall make available to the reviewer any and all records or access to the practice requested by the reviewer.
- b) Licensee agrees that the reviewer shall, at his or her sole discretion, select for evaluation a representative sample of radiological imaging studies performed in the last six months of the licensee's private practice.

- c) Licensee further agrees that the reviewer shall select no fewer than one-hundred (100) radiological studies for purpose of the reviewer's evaluation.
 - d) Licensee shall cause the reviewer to report to OPMC the results of his or her review. The reviewer's report shall include the name of the patient, type of study, the licensee's impression, and whether the reviewer agrees or disagrees with the licensee's radiological impression.
 - e) Licensee shall be solely responsible for all expenses associated with the retrospective review, including fees, if any, to the reviewing physician.
- 8) Licensee shall be subject to any further terms as may be imposed by Director, in the Director's sole reasonable discretion, as the Director deems necessary based upon all relevant facts and circumstances then known to OPMC, including, but not limited to, the results of the OLA and/or any recommendations by the American Board of Radiology based on the OLA and based upon the results of the retrospective review of the licensee's former medical practice.
- 9) Licensee shall be solely responsible for all expenses associated with these terms, including fees, if any, for taking the OLA, and any expenses associated with the retrospective and the continuing medical education program.
- 10) Licensee shall enroll in and successfully complete a continuing education program as directed by the Office of Professional Medical Conduct. This continuing education program is subject to the Director of OPMC's prior written approval. This program shall be successfully completed within the first 90 days after

the date of the order unless Licensee obtains, in writing, the Director's prior authorization to exceed that 90 day period. The Director, for good cause shown by Licensee prior to the expiration of such 90 day period, shall have full discretion to deny or grant such extension.

- 11) The period of Practice Conditions shall toll when Licensee is not engaged in active medical practice in New York State for 30 consecutive days or more. Licensee shall notify the Director, in writing, if Licensee is not currently engaged in or intends to leave active medical practice in New York State for 30 consecutive days or more and Licensee shall then notify the Director again at least 14 days before returning to active medical practice in New York State. Upon Licensee's return to active medical practice in New York State, the period of Practice Conditions shall resume and Licensee shall fulfill any unfulfilled terms and such additional requirements as the Director may impose as reasonably relate to the matters set forth in Exhibit "A" or as are necessary to protect the public health.
- 12) Licensee shall comply with this Order, and all its terms and Conditions, and shall bear all associated compliance costs. Upon receiving evidence of noncompliance with or violation of these terms, the Director and/or the Board may initiate a proceeding against Licensee under N.Y. Pub. Health Law § 230.
