NEW YORK STATE DEPARTMENT OF HEALTH  
STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

**IN THE MATTER  
OF  
AHMED NAIMETULLA SYED, M.D.**

**CONSENT  
AGREEMENT**

AHMED NAIMETULLA SYED, M.D. [AKA SYED AHMED NAIMETULLA, AKA AHMED SYED, AKA NAIMETULLA A. SYED, AKA NAIMETULLA SYED] represents that all of the following statements are true:

That on or about November 28, 1983, I was licensed to practice as a physician in the State of New York, and issued License No. 156828 by the New York State Education Department.

My current address is [REDACTED], and I will advise the Director of the Office of Professional Medical Conduct of any change of address.

I understand that the New York State Board for Professional Medical Conduct (Board) has charged me with one or more specifications of professional misconduct.

A copy of the Statement of Charges, marked as Exhibit "A", is attached to and part of this Consent Agreement.

I assert that I cannot successfully defend against at least one of the acts of misconduct alleged, in full satisfaction of the charges against me, and agree to the following penalty:

Pursuant to N.Y. Pub. Health Law § 230-a(6), Respondent shall be subject to a limitation precluding registration or issuance of any further license.

I further agree that the Consent Order for which I apply shall impose the following conditions:

That Respondent shall comply with each and every penalty imposed by this Order pursuant to N.Y. Pub. Health Law § 230-a; and

That Respondent shall be precluded from practicing medicine in New York State, from practicing in any setting where his practice is based solely on his New York license, and from further reliance upon Respondent's New York license to practice medicine to exempt Respondent from the licensure, certification or other requirements set forth in statute or regulation for the practice of any other profession licensed, regulated or certified by the Board of Regents, Department of Education, Department of Health or the Department of State; and

That if Respondent is currently registered to practice medicine in New York State, Respondent shall, within 30 days of the issuance of the Consent Order, notify the New York State Education Department, Division of Professional Licensing Services, that

Respondent's license status is "inactive," and shall provide proof of such notification to the Director of OPMC immediately upon having done so; and

That Respondent shall provide the Director, Office of Professional Medical Conduct (OPMC), Riverview Center, 150 Broadway, Suite 355, Albany, New York 12204-2719, with the following information, in writing, and ensure that this information is kept current: a full description of Respondent's employment and practice; all professional and residential addresses and telephone numbers within and outside New York State; and all investigations, arrests, charges, convictions or disciplinary actions by any local, state or federal agency, institution or facility. Respondent shall notify OPMC, in writing, within 30 days of any additions to or changes in the required information. This condition shall take effect 30 days after the Order's effective date and shall continue at all times until Respondent receives written notification from the Office of Professional Medical Conduct, Physician Monitoring Program, that OPMC has determined that Respondent has fully complied with and satisfied the requirements of the Order, regardless of tolling; and

That Respondent shall cooperate fully with the Office of Professional Medical Conduct (OPMC) in its administration and enforcement of this Order and in its investigations of matters concerning Respondent. Respondent shall respond in a timely manner to all OPMC requests for written periodic verification of Respondent's compliance with this Order. Respondent shall meet with a person designated by the Director of OPMC, as directed. Respondent shall respond promptly and provide all documents and information within Respondent's control, as directed. This condition shall take effect upon

the Board's issuance of the Consent Order and will continue so long as Respondent remains licensed in New York State; and

That Respondent shall comply with all conditions set forth in attached Exhibit "B" ("Requirements for Closing a Medical Practice").

I stipulate that my failure to comply with any conditions of this Order shall constitute misconduct as defined in N.Y. Educ. Law § 6530(29).

I agree that if I am charged with professional misconduct in the future, this Consent Agreement and Order shall be admitted into evidence in that proceeding.

I ask the Board to adopt this Consent Agreement.

I understand that if the Board does not adopt this Consent Agreement, none of its terms shall bind me or constitute an admission of any of the acts of alleged misconduct; this Consent Agreement shall not be used against me in any way and shall be kept in strict confidence; and the Board's denial shall be without prejudice to the pending disciplinary proceeding and the Board's final determination pursuant to the Public Health Law.

I agree that, if the Board adopts this Consent Agreement, the Chair of the Board shall issue a Consent Order in accordance with its terms. I agree that this Order shall take effect upon its issuance by the Board, either by mailing of a copy of the Consent Order by first class mail to me at the address in this Consent Agreement, or to my attorney by certified mail, OR upon facsimile transmission to me or my attorney, whichever is first. The

Order, this agreement, and all attached Exhibits shall be public documents, with only patient identities, if any, redacted. As public documents, they may be posted on the Department's website. OPMC shall report this action to the National Practitioner Data Bank and the Federation of State Medical Boards, and any other entities that the Director of OPMC shall deem appropriate.

I stipulate that the proposed sanction and Order are authorized by N.Y. Pub. Health Law §§ 230 and 230-a, and that the Board for Professional Medical Conduct and the Office of Professional Medical Conduct have the requisite powers to carry out all included terms. I ask the Board to adopt this Consent Agreement of my own free will and not under duress, compulsion or restraint. In consideration of the value to me of the Board's adoption of this Consent Agreement, allowing me to resolve this matter without the various risks and burdens of a hearing on the merits, I knowingly waive my right to contest the Consent Order for which I apply, whether administratively or judicially, I agree to be bound by the Consent Order, and ask that the Board adopt this Consent Agreement.

I am aware and agree that, regardless of prior communication, the attorney for the Department, the Director of the Office of Professional Medical Conduct, and the Chairperson of the State Board for Professional Medical Conduct each reserve full

6

discretion to enter into the Consent Agreement that I propose in this application, or to decline to do so.

STATE BOARD FOR PROFESSIONAL MEDICAL CONDUCT

**IN THE MATTER**  
**OF**  
**AHMED NAIMETULLA SYED, M.D.**

**STATEMENT**  
**OF**  
**CHARGES**

AHMED NAIMETULLA SYED, M.D. [AKA SYED AHMED NAIMETULLA, AKA AHMED SYED, AKA NAIMETULLA A. SYED, AKA NAIMETULLA SYED], the Respondent, was authorized to practice medicine in New York State on or about November 28, 1983, by the issuance of license number 156828 by the New York State Education Department.

**FACTUAL ALLEGATIONS**

A. On or about September 17, 2013, The Connecticut Medical Examining Board issued a Memorandum of Decision which included Findings of Fact and Conclusions of Law. The Board concluded that the evidence established that Respondent merited disciplinary action for illegally billing the Department of Social Services from approximately January 2010 to September 2010, for one or more medical visits, when the visits did not occur [pursuant to Regs., Conn. State Agencies §17B-262-532(h)]. The Board also found that upon renewal of Respondent's license, effective February 1, 2011, Respondent failed to comply with the continuing medical education ("CME") requirements set forth in §20-10b of the Statutes. The Board concluded that there was adequate basis upon which to impose discipline on Respondent's license, pursuant to §§19-a-17 and 20-13c(4) of the Statutes under Connecticut state law.

1. Pursuant to which the Board assessed Respondent a civil penalty of three thousand and five-hundred dollars (\$3,500); a reprimand; probation for a period

of one (1) year; practice monitor to review medical records for a period of one (1) year; and a course in chart documentation.

2. The conduct resulting in the Board's memorandum of Decision against Respondent would constitute misconduct under the laws of New York State pursuant to New York Education Law §6530(16)( willful failure to comply with substantial provisions of state or local laws, rules, or regulations governing the practice of medicine).

**SPECIFICATION OF CHARGES**  
**HAVING BEEN FOUND GUILTY OF PROFESSIONAL MISCONDUCT**

Respondent is charged with committing professional misconduct as defined in N.Y. Educ. Law § 6530(9)(b) by having been found guilty of improper professional practice or professional misconduct by a duly authorized professional disciplinary agency of another state where the conduct upon which the finding was based would, if committed in New York state, constitute professional misconduct under the laws of New York state (namely N.Y. Educ. Law §6530(16) as alleged in the facts of the following:

billings. Licensee shall not share, occupy, or use office space in which another licensee provides health care services.

8. Licensee shall not, with regard to New York practice or practice anywhere pursuant to Licensee's New York license, charge, receive or share any fee or distribution of dividends for professional services rendered by Licensee or others while Licensee is barred from engaging in the practice of medicine. Licensee may be compensated for the reasonable value of services lawfully rendered, and disbursements incurred on a patient's behalf, prior to the Order's effective date.
9. If Licensee is a shareholder in any professional service corporation organized to engage in the practice of medicine in New York, Licensee shall divest all financial interest in the professional services corporation, in accordance with New York Business Corporation Law. Such divestiture shall occur within 90 days. If Licensee is the sole shareholder in a professional services corporation, the corporation must be dissolved or sold within 90 days of the Order's effective date.
10. Failure to comply with the above directives may result in a civil penalty or criminal penalties as may be authorized by governing law. Under N.Y. Educ. Law § 6512, it is a Class E Felony, punishable by imprisonment of up to 4 years, to practice the profession of medicine when a professional license has been suspended, revoked or annulled. Such punishment is in addition to the penalties for professional misconduct set forth in N.Y. Pub. Health Law § 230-a, which include fines of up to \$10,000 for each specification of charges of which the Licensee is found guilty, and may include revocation of a suspended license.
